Advanced Teacher's Pack (Teacher's Book with DVD-ROM) Adrian Doff, Johanna Stirling, Sarah Ackroyd, 2011-02-24

English Unlimited is a six level A1 to C1 goals based course for adults Centred on purposeful real life objectives it prepares learners to use English independently for global communication The Teacher's Pack consists of a Teacher's Book with DVD ROM As well as clear teaching notes the Teacher's Book offers lots of extra ideas and activities to suit different classroom situations and teaching styles The DVD ROM provides a range of extra printable activities a comprehensive testing and assessment program and clear mapping of the syllabus against the CEF can do statements It also includes the videos from the Self study Pack DVD ROM for classroom use **Education and climate change** Samantha Govender, Mncedisi C Maphalala, Dumisani W. Mncube, 2025-06-15 The book highlights the critical yet often overlooked role of education in combating climate change It advocates for a transformative educational framework that integrates social emotional learning and interdisciplinary collaboration Traditional education which focuses solely on factual knowledge is deemed insufficient Instead education should foster empathy provide hands on experiences and encourage active engagement in climate solutions The book outlines various ways education can drive climate action such as raising awareness preparing individuals for green jobs empowering communities and fostering innovation in higher education It highlights the interconnectedness of climate change and education particularly for marginalised populations showing how quality education can enhance both mitigation and adaptation strategies while supporting Sustainable Development Goal SDG 4 and SDG 13 Key chapters discuss successful initiatives such as the Keep it Cool Climate Change Education KIC CCE project in South Africa and offer strategies for integrating climate change education into subjects like Natural Sciences and Geography Ultimately the book positions education as a strategic tool for promoting sustainable development and building climate resilience New research findings presented in the book connect education to climate change highlighting education as both a tool to address climate issues and a domain affected by these issues The book integrates empirical evidence innovative theories and practical examples to ensure intellectual integrity and academic rigour It introduces a unique framework that emphasises social emotional learning action oriented teaching and interdisciplinary collaboration Case studies such as the KIC CCE initiative in South Africa illustrate these concepts The book critiques traditional models and advocates for transformative approaches to climate education aligning with SDG 4 Quality Education and SDG 13 Climate Action It also highlights the significance of

teacher preparedness community empowerment gender equality and innovation providing valuable insights for scholars policymakers and practitioners addressing the climate crisis *English Unlimited Advanced A and B Teacher's Pack (Teacher's Book with DVD-ROM)* Adrian Doff, Johanna Stirling, Sarah Ackroyd, 2013-07-18 English Unlimited is a six level A1 to C1 goals based course for adults Centred on purposeful real life objectives it prepares learners to use English independently for global communication As well as clear teaching notes the updated Advanced A and B Teacher's Pack Teacher's Book with DVD ROM offers lots of extra ideas and activities to suit different classroom situations and teaching styles The DVD ROM provides a range of extra printable activities a comprehensive testing and assessment program extra literacy and handwriting activities for non Roman alphabet users and clear mapping of the syllabus against the CEFR can do statements It also includes the videos from the Self study Pack DVD ROM for classroom use Learning to Teach Small Classes Maurice Galton, Kwok Chan Lai, Kam Wing Chan, 2014-08-13 The justification for smaller classes has traditionally been that students can receive more individual attention and be provided with a curriculum that promotes student centred learning However in Asia where student engagement is generally over 90% in primary school classrooms the focus of smaller classes is for teachers to increase the quality of their teaching building on the already impressive levels of student engagement Learning to Teach Small Classes comprehensively instructs teachers on ways they can utilise the advantage of a smaller class to its fullest potential It works through different case studies and gives examples of successful classroom practice in each of the core subject areas Chinese English and Mathematics Chapters include Setting Objectives Asking and Answering Questions Sustaining Successful Group and Pair Work The Use of Feedback and Assessment for Developing Independence in Learning Bringing it all together and Sustaining Effective Practice With questions for discussion and further suggested reading this book is an invaluable resource for anyone involved in small class teaching and East Asian teaching and education policy *Active Skills for Reading Book 1 2e-Teachers Manual* Neil J.
