*Brief Behavioural Activation for Adolescent Depression* Shirley Reynolds, Laura Pass, 2020-09-21 This step by step guide to Brief Behavioural Activation Brief BA provides everything practitioners need to use this approach with adolescents. It is suitable for new practitioners as well as those who are more experienced. Brief BA is a straightforward, structured and effective intervention for treating adolescents showing symptoms of depression, focusing on helping young people to recover through doing more of what matters to them. This practical manual contains guidance on how to deliver Brief BA at every stage, photocopyable activities and worksheets for the client and their parents, and a section on the research and theory behind the approach. It includes information and advice on how to assess adolescent depression, get to know the young person and their priorities better, and help them to do more of what matters. Teacher as Activator of Learning Gayle H.

Gregory, 2016-02-11 *Flip the Switch: How to Get Students Into Learning Mode* Now In his well known meta analysis John Hattie suggests that facilitating learning is not as effective or powerful as activating learning. In this book Gayle Gregory shows you how to facilitate better and deeper learning. Packed with practical strategies that teachers can use every day to increase student achievement, you will also discover what educational neuroscience says about nurturing a growth mindset and creating classrooms that support and encourage students to take risks and fail forward. Learn how to Foster student dialogue and thinking, Orchestrate productive reflective flexible student groups, Develop respectful learning relationships between and among students and teachers, Teacher competencies and clarity related to student goals and success criteria, with quality feedback are essential for student success. This resource will enrich learning environments for students and increase the chance of success for all. In going from teachers as fount of knowledge to teacher as facilitator, the field has overcorrected. Gayle Gregory corrects all that with a comprehensive and deep portrayal of the need for teachers to be activators of learning in partnership with students. Based on equal measure of research and practice, Gregory gives us a compelling set of ideas and tools to maximize student learning and engagement. Read it and hit the ground running.
