Research and Communication Nilanjana Bardhan,Mark P. Orbe,2012-04-05 The concept of identity has steadily emerged in importance in the field of intercultural communication especially over the last two decades In a transnational world marked by complex connectivity as well as enduring differences and power inequities it is imperative to understand and continuously theorize how we perceive the self in relation to the cultural other Such understandings play a central role in how we negotiate relationships build alliances promote peace and strive for social justice across cultural differences in various contexts Identity Research in Intercultural Communication edited by Nilanjana Bardhan and Mark P Orbe is unique in scope because it brings together a vast range of positions on identity scholarship under one umbrella It tracks the state of identity research in the field and includes cutting edge theoretical essays some supported by empirical data and queries what kinds of theoretical methodological praxiological and pedagogical boundaries researchers should be pushing in the future This collection s primary and qualitative focus is on more recent concepts related to identity that have emerged in scholarship such as power privilege intersectionality critical selfhood hybridity diaspora cosmopolitanism queer theory globalization and transnationalism immigration gendered and sexual politics self reflexivity positionality agency ethics dialogue and dialectics and more The essays are critical interpretive postmodern postcolonial and performative in perspective and they strike a balance between U S and transnational views on identity This volume is an essential text for scholars educators students and intercultural consultants and trainers

Global Dialectics in Intercultural Communication Jolanta A. Drzewiecka,Thomas K. Nakayama,2018 We have here a diverse distinctive collection of essays concerned with the human implications and on the ground entanglements of life under globalization that seemingly intractable but unavoidable phenomenon Crispin Thurlow University of Bern Switzerland Ethnicity and Organizational Diversity Wendy V.

Chung,1997-02-13 This book investigates the influence of ethnicity on the development of psychological climate perceptions and discusses the implications of this influence on diversity in organizations Cultivating individuals within corporations to value diversity may prove to be challenging since this process is a cognitive and psychological one This book regards organizational members perceptions of their organization as real and suggests that they ought to be taken as such Consequently the success of an organization s diversity efforts is contingent on the attention it pays to the perceptions that its members hold not only about human difference but also about issues of diversity within their organization It is only when members perceptions are determined that organizations should proceed to employ diversity programs *Phenomenol Rhetoric Commun CB (Current Continental Research)* Deetz,1981 Fourth International Conference on Minority Languages: General papers Durk Gorter,1990 This second volume of papers from the Fourth International Conference on Minority Languages emphasises the inventory or descriptive approach whereas the more theoretically oriented papers were published in Volume I World Researchers and Research in Intercultural Communication ,1985 **The Resource Book** Bryan Strong,1997
