The Well-Trained Mind

Susan Wise Bauer,Jessie Wise,2016-08-09 Is your child getting lost in the

system becoming bored losing his or her natural eagerness to learn If so it may be time to take charge of your child s education by doing it yourself The Well Trained Mind will instruct you step by step on how to give your child an academically rigorous comprehensive education from preschool through high school one that will train him or her to read to think to understand to be well rounded and curious about learning Veteran home educators Susan Wise Bauer and Jessie Wise outline the classical pattern of education called the trivium which organizes learning around the maturing capacity of the child s mind and comprises three stages the elementary school grammar stage when the building blocks of information are absorbed through memorization and rules the middle school logic stage in which the student begins to think more analytically and the high school rhetoric stage where the student learns to write and speak with force and originality Using this theory as your model you ll be able to instruct your child whether full time or as a supplement to classroom education in all levels of reading writing history geography mathematics science foreign languages rhetoric logic art and music regardless of your own aptitude in those subjects Thousands of parents and teachers have already used the detailed book lists and methods described in The Well Trained Mind to create a truly superior education for the children in their care This extensively revised fourth edition contains completely updated curricula and book lists links to an entirely new set of online resources new material on teaching children with learning challenges cutting edge math and sciences recommendations answers to common questions about home education and advice on practical matters such as standardized testing working with your local school board designing a high school program preparing transcripts and applying to colleges You do have control over what and how your child learns The Well Trained Mind will give you the tools you ll need to teach your child with confidence and success *The Home School Manual* Theodore E. Wade,1998 *Serving Teen Parents* Ellin Klor,Sarah

Nordhausen,2011-09-12 A comprehensive guide to working with teen parents and their children that provides practical program ideas for successful school and public library program development implementation and evaluation Teen parents and their children represent an underserved high need population in many communities Libraries have the potential to significantly influence the quality of life for teen parent families by providing free access to information and resources developing specific programs and serving as a safe public learning environment *Serving Teen Parents From Literacy to Life Skills* helps library staff support teen parents as their children s first teachers positively affecting two generations at once The authors explain how to successfully communicate with this group and build upon their competencies and strengths They

offer best practices professional anecdotes and step by step direction on connecting with teen parents collaborating with community partners locating funding options and implementing successful programs This invaluable guide is the most comprehensive resource currently available that directly addresses the needs of librarians serving the teen parent demographic *The Environment Encyclopedia and Directory 2001* Europa Publications,2001 Charts the emerging world awareness of environmental issues Provides an A Z glossary of key terms a comprehensive directory an extensive bibliography detailed maps and a Who s Who Good Stuff Rebecca Rupp,1993 **National Directory of Nonprofit Organizations** ,2002 **Directory of Special Libraries and Information Centers** ,1985 **Diverse Issues in Higher Education** ,2006 **Corporate Giving Directory** Bobdan Romaniuk,2003-04 *Nature and Resources* ,1999 **Michigan Natural Resources Magazine** ,1977 Michigan Natural Resources ,1977 **The Landman** ,1973 *The Copper Resources of California* Lewis E.
