

Prayer for Work Meeting

Dear Lord,

Thank you for the goodness and mercy that we receive every day. We thank you that we have found employment. We are here today to discuss topics that will move this establishment forward. Come and take center stage in this meeting. Give us new ideas to be able to stand head and shoulders above our competitors. Grant us the wisdom to make this meeting a productive one. Remove any distractions that will make this meeting unproductive. We start with you and we will end with you. Thank you, Lord, for the answered prayer,

Amen

Report of the 3rd Decennial Missionary Conference ,1893 *Whose Agency* Megan Hershey,2019-06-04

Nongovernmental organizations NGOs are ubiquitous in the Global South Often international in origin many attempt to assist local efforts to improve the lives of people often living in or near poverty Yet their external origins often cloud their ability to impact health or quality of life regardless of whether volunteers are local or foreign By focusing on one particular type of NGO those organized to help prevent the spread and transmission of HIV in Kenya Megan Hershey interrogates the ways these organizations achieve or fail to achieve their planned outcomes Along the way she examines the slippery slope that is often used to define success based on meeting donor set goals versus locally identified needs She also explores the complex network of bureaucratic requirements at both the national and local levels that affect the delicate relationships NGOs have with the state Drawing on extensive original quantitative and qualitative research *Whose Agency* serves as a much needed case study for understanding the strengths and shortcomings of participatory development and community engagement
