

Dear,

I wish to extend my deepest appreciation to the bus drivers of School District #309 for the excellent job they do each day delivering the students safely to school. Drivers have encountered difficult road conditions many times this school year, but have safely and efficiently delivered the children to school and to their many activities. We travel almost 400,000 miles in a school year. Bus drivers transport students from 3 years old to 22 years old. They are expected to monitor students of all ages that sit behind them, while driving the school buses down busy and sometimes difficult roads.

Please tell them thank you if you see them this coming Wednesday. They are: Jeff Hanson, Larry Mckeever, Mike Heegard, Paul Hanisch, Andy Trudeau, Bob Mack, Dan Atkins, Brad Vanbuskirk, Art Symanietz, Shawn Mahowald, Sheldon Griess, Jay Pilkey, Tony Olson, Charlie Arvik, Roger Hocking, Chuck Rognstad, John Zinniel, Darin Hafner, Curt Sumner and Substitute Drivers Jeff Dickie, Paul McKibben, Jerry Munson, Phil Sailer, Steve Safratowich, Kevin Tupy, Mark Waller, Spike Wellman, John Wilhelm. Also, a big thanks to Gene Maves and Mike Hed for keeping the buses in sound mechanical condition.

Conversational Routines in English Karin Aijmer,2014-09-19 It is surprising how much of everyday conversation consists of repetitive expressions such as thank you sorry would you mind and their many variants However commonplace they may be they do have important functions in communication This thorough study draws upon original data from the London Lund Corpus of Spoken English to provide a discoursal and pragmatic account of the more common expressions found in conversational routines such as apologising thanking requesting and offering The routines studied in this book range from conventionalized or idiomatized phrases to those which can be generated by grammar Examples have been taken from face to face conversations radio discussions and telephone conversations and transcription has been based upon the prosodic system of Crystal 1989 An extensive introduction provides the theory and methodology for the book and discusses the criteria for fixedness grammatical analysis and pragmatic functions of conversational routines which are later applied to the phrases Following chapters deal specifically with phrases for thanking apologising indirect requests and discourse organising markers for conversational routines on the basis of empirical investigation of the data from the London Lund Corpus of Spoken English

Coming To America? Muchina,2021-06-07 In Coming to America The untold truth about living and working in America as an immigrant award winning author Muchina says it's time that someone finally told the bitter truth about what it's like to live and work in America as an immigrant Over a million people migrate to the United States every single year What most of them don't know is that life in America is completely different from the America they see in the News or movies or American TV shows In Coming To America Muchina talks directly to new immigrants as well as those planning on migrating to the United States in the future With well researched statistics and figures he details the income of an average immigrant as well as the true cost of living and the sacrifices required in order to have a decent life while supporting family back home Close to a million immigrants become undocumented every year Muchina dedicates a few chapters to speak to those that may end up overstaying their visas or falling out of Status for various reasons The challenges faced by undocumented immigrants are many but millions of them find ways to get jobs buy cars rent apartments and even start their own businesses The question is How do they do it Those answers plus alternative documents the government makes available for undocumented people to open bank accounts and pay taxes to states that offer driver's licenses to undocumented residents all found within the pages of this book In the final chapters of the book Muchina shares his story of how his obsession with the pursuit of the American dream cost him

everything he owned and nearly destroyed his life in the process He tells his compelling poignant story as a warning to others whose desire to make a lot of money may lead them down the wrong paths with dire consequences Mostly with his deep understanding of how the American system works he brings the wisdom of knowing What not to do as well as what aspects of life one must protect in order to build a decent and fulfilling life in America In his own words Muchina says This book is everything I wish someone had told me when I first came to America So If you're planning to migrate to America this book will help you answer some of the most important questions you may have such as What are the 5 top myths about America What are the top 5 mistakes most immigrants make Is The American Dream possible for an immigrant What will your host expect of you when you get to America Where should you settle in and why How are you expected to behave in America How is America different from where you're coming from What are you going to love about the country and its culture Will you be able to get a job What kind of documents will you need to get a job Will you be able to get work documents if you have a non immigrant visa Will you be allowed and able to get work if you have a non immigrant visa What happens if you overstay your visa What kind of job will you be able to get as an immigrant How much are you likely to get paid for what job How much will it cost you to live in America How much does housing cost What can you or can't you do What kind of bills will you have to pay What kind of taxes will you have to pay How much money will you be able to earn per month How much will you be able to save per month If you wanted to start a business could you What kind of rights will you have as an immigrant How do undocumented immigrants get jobs What kind of work do undocumented immigrants do What jobs pay better than others for immigrants What rights do immigrants have Do undocumented immigrants have any rights What's a social security number and why does everyone need one What if you can't get a social security number because of your immigration status How do you get a driver's license If you go out of status will you be able to get a driver's license Where can you get a driver's license if you overstay your visa What can you expect from friends and relatives when you move to America How should you deal with relatives back home What's a FICO credit score and how does it determine your success or failure What mistakes are you likely to make that could ruin your life in America Will your foreign university degree get you a job in the United States In part 4 you'll hear the story of the author an immigrant whose life was nearly destroyed in America due to the lack of information such as found in this book In his pursuit of the American dream he made all the wrong mistakes just like so many immigrants and citizens make He hopes to spare you from the same fate so you have a chance to succeed and get yourself a piece of the American Dream
