The Elephant in the Room Sadrail Saint-Ulysse PhD MDiv, 2022-04-12 I write this book to do something that most would consider unwise as a current employee of the Seventh day Adventist Church I call or appeal for systematic change change in policies that have kept the financial support from tithe and other sources to Adventist elementary and other sources to Adventist schools at minimal Please don't think of me as a brave one who dares to go where many have not gone before I am not I speak out because we need policy changes at every level Fairness is not giving everyone the same thing but to give each person what he or she needs to succeed Many businesses are rethinking how to move forward post the pandemic We too as a church need to do the same In the Old Testament God instructed his people to pass on their faith to their children by intentionally teaching them God's statutes and commandments Deuteronomy 6:4-8 and Isaiah 54:13 Similarly the Christian Church receives its marching orders from Jesus in the Great Commission found in Matthew 28:16-20 Jesus directs the church to make disciples of all nations by baptizing and teaching Church schools are needed to partner with parents and the church as a whole to educate children Ellen G White cofounder of the Seventh day Adventist Church who earlier encouraged the Seventh day Church to focus on foreign missions stated in addressing church schools in the book Testimonies for the Church volume 6 that the children are not to be neglected She writes We cannot call ourselves true missionaries if we neglect those at our very doors who are at the most critical age and who need our aid to secure knowledge and experience that will fit them for the service of God Her solution to financing church schools is simple Let all share the expense Enrollment in Christian elementary and secondary schools have been dropping nationwide Many families in North America especially new immigrant families are not able to afford the tuition to send their children to church schools Several church schools have closed In this book Dr Sadrail Saint Ulysse an ordained minister and educator of the Seventh day Adventist Church addresses the challenges of operating Christian schools at the elementary and secondary levels after serving for nearly twenty five years as a pastor and educator with the hope that the burden of operating church schools can be shared by the entire church local state national and worldwide to alleviate this burden The book challenges parents teachers principals school boards church members and church leaders at every level to make the needed policy changes to ensure that church schools are financed in a sustainable manner

Augustus, 2018-08-09 If you are a Seventh day Adventist Christian you have no doubt heard of The Shepherd's Rod a message of present truth and reform first presented to leaders of the Seventh day Adventist Church in the years 1929 and 1930 It has created much controversy In *What Every Seventh day Adventist Should Know about The Shepherd's Rod* author Garrick D Augustus brings to light the historic and the theological reasons behind the rejection of The Shepherd's Rod message It exposes the systematic misinformation as well as the willful manipulations of the facts surrounding Victor Houteff and the movement he began more than eight decades ago It provides clear and accurate answers to the questions raised against the

Rod's message And it answers the objections church leaders have historically offered as proof against its bearing the credentials of inspiration Augustus fused the forensic methods of evidence analytics as well as the investigative method of internal evidence analysis to the claims brought against the message by the leaders of the Seventh day Adventist Church His research took him from the Heritage Library in Loma Linda California to The Biblical Research Committee in Silver Spring Maryland and beyond What Every Seventh day Adventist Should Know about The Shepherd's Rod journeys through the pages of history and helps to separate truth from propaganda It takes a fresh look at an old controversy that began in eternity past and has played itself out in the rank and file of Seventh day Adventism
