## **Advertising And A Democratic Press Princeton Legacy Library:**

**Advertising and a Democratic Press** C. Edwin Baker, 1995 In this provocative book C. Edwin Baker argues that print advertising seriously distorts the flow of news by creating a powerfully corrupting incentive the more newspapers depend financially on advertising the more they favor the interests of advertisers over those of readers Advertising induces newspapers to compete for a maximum audience with blandly objective information resulting in reduced differentiation among papers and the eventual collapse of competition among dailies Originally published in 1994 The Princeton Legacy Library uses the latest print on demand technology to again make available previously out of print books from the distinguished backlist of Princeton University Press These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions The goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905

**Securitising Decolonisation** Julius Heise, 2024-05-23 With the right to petition the United Nations the Ewe and Togoland unification movement enjoyed a privilege unmatched by other dependent peoples Using language conveying insecurity the movement seized the international spotlight ensuring that the topic of unification dominated the UN Trusteeship System for over a decade Yet its vociferous securitisations fell silent due to colonial distortion leaving unification unfulfilled thus allowing the seeds of secessionist conflict to grow At the intersection of postcolonial theory and security studies Julius Heise presents a theory driven history of Togoland's path to independence offering a crucial lesson for international statebuilding efforts

**A Companion to Greek and Roman Political Thought** Ryan K. Balot, 2012-12-26 A COMPANION TO GREEK AND ROMAN POLITICAL THOUGHT Justice virtue and citizenship were at the center of political life in ancient Greece and Rome and were frequently discussed by classical poets historians and philosophers This Companion illuminates Greek and Roman political thought in all its range diversity and depth Thirty four essays from leading scholars in history classics philosophy and political science provide stimulating discussions of classical political thought ranging from the Archaic Greek epics to the final days of the Roman Empire and beyond These essays strike a judicious yet thought provoking balance between theoretical and historical perspectives A Companion to Greek and Roman Political Thought is an authoritative guide to the ancient Greek and Roman political questions that continue to shape and challenge the modern world

**Divided We Stand** Marjorie J. Spruill, 2018-08-28 The fascinating true story of the characters in Hulu's Mrs America and a broader portrait of the two women's movements that spurred an enduring rift between liberals and conservatives The many admirers of Mrs America will find great satisfaction in Divided We Stand a clear compelling and deeply insightful volume The Washington Post One of Smithsonian Magazine's Ten Best History Books of the Year In the early 1970s an ascendant women's rights movement enjoyed strong support from both political parties and considerable success but was soon challenged by a conservative women's movement formed in opposition Tensions between the two would

explode in 1977 at the congressionally funded National Women's Conference in Houston Texas As Bella Abzug Gloria Steinem and other feminists endorsed hot button issues such as abortion rights the ERA and gay rights Phyllis Schlafly and Lottie Beth Hobbs rallied with conservative women to protest federally funded feminism and launch a pro family movement Divided We Stand reveals how crucial women and women's issues have been in the shaping of today's political culture After the National Women's Conference Democrats continued to back women's rights in cooperation with a more diverse feminist movement while the GOP abandoned its previous support for women's rights and defined itself as the party of family values irrevocably affecting the course of American politics *The publishers weekly*,1992
