Authentic Christianity:

Authentic Christianity Richard W. Tow, 2018-12-13 In a time when biblical literacy is waning and values are less than absolute Authentic Christianity is a helpful and needful book for today's church. Consisting of thirty chapters a conclusion a bibliography and indexes it moves through the first Epistle of John segment by segment mining biblical guidelines and blessings at every corner. Ben Aker PhD professor emeritus of New Testament and exegesis Assemblies of God Theological Seminary I want this book in the hands of every one of my students and ministry leaders. The church is at a crossroads wherein we are teetering along a slippery slope that has ensnared a generation with a gospel unlike that preached by Christ and his disciples. Pastor Troy D Bohn director of Raven Ministries International Training Center I highly recommend Dr Richard Tow's *Authentic Christianity* for pastors and anyone serious about studying 1 John in a deeper way. Dr Tow presents practical ideas and lessons for how twenty first century Christians can protect our hearts and minds against modern day false teachings how to sincerely and biblically live our lives with love and a clear conscience. Dr Donald W Eubank chaplain retired lieutenant colonel US Army endorsing agent military VA chaplains Foursquare Gospel Church This book should be required reading for anyone in ministry. The church is slowly apostatizing due to its ignorance of what constitutes a genuine biblical believer. John's epistle more than any other New Testament book differentiates between the true child of God and those who are merely claiming to be one. John's bottom line is These things I have written in order that you may know that you have eternal life. Find out what John means by know It's a matter of life or death. David Ravenhill author and itinerant teacher Siloam Springs Arkansas

Authentic Christianity Gordon Silcox, 2013-12-05 Today in our world there is much to doubt confusion and misunderstanding by so many about what Christianity really is. There are in spite of the naysayers those who really desire to know the truth about The Faith once delivered to the Saints. It is obvious that the doubt confusion and lack of understanding have been created by many factors down through history. A deepening apostasy among the churches has created many religious cults and practices that have produced a maze of confusion perplexity and uncertainty. Yet the authentic Christian faith has not failed and is still alive and well. Our Lord promised its perpetuity in the churches He would build. This book sets forth the doctrines and practices in God's Word concerning Christianity and will help others seek the

Truth about Biblical faith. An excellent source for witnessing and training others to always have an answer. **Authentic Christianity** Ray C. Stedman, 1996 This classic by Ray Stedman moves you beyond religion doctrine rules and rituals into the life changing experience of being genuinely and intimately connected with Christ. He shows you how to live a life of faith with integrity a life that attracts people and compels them to seek its Source. **Authentic Christianity** Gordon

Haresign, 2014-05-29 *Authentic Christianity* is an insightful and timely wake up call to every Christian today. If you want to rediscover what the church is all about this is a good place to start. Whitney T Kuniholm president Scripture Union USA *Authentic Christianity* is more than a scholarly exposition of the first three chapters of the book of Revelation. The book takes

you on a tour from the small island of Patmos in the Aegean Sea to the sites of seven ancient cities in what was known as Asia Minor The messages Christ conveyed to the churches in those cities are as stunning today as they were then The author relates those messages into direct confrontation and challenge as he builds a convincing case for the display of authentic Christianity Authentic Christianity captures attention from the outset as it not only examines Christs critique of those churches at the end of the first century it exposes todays churches In light of the churchs declining influence in the world the author makes an exceptionally strong appeal for those who call themselves Christians to be authentic Authentic Christianity exalts Christs role in the church and reflects the high standard expected of Christians today In an age when the church is increasingly scorned the author sounds a clarion call for repentance and revival This is a compelling read The book containing personal and practical illustrations is a dynamic challenge to bring ones life into conformity with Christs expectations The reader cannot possibly remain indifferent after reading the book and seriously considering its timely message The book is an appeal for action change revival and authenticity

back to the simple yet profound idea of believing and behaving according to Scripture The author emphasizes it's about having a sincere faith in God and living out that faith in everyday life based on what the Bible teaches This book breaks down the idea that authentic Christianity is rooted in simply believing in the truths of the Bible and letting those beliefs shape how you live It reminds readers that the Bible is the ultimate guide for how to live a life that pleases God and it encourages them to read and study Scripture regularly to understand what God wants from His followers The book stresses that believing is more than just saying you have faith it's about truly trusting in God's Word and allowing it to influence your thoughts actions and decisions Behaving Biblically means living out the principles found in the Bible The author makes it clear that these actions are not about earning God's favor but are a natural response to the love and grace that God has already shown through Jesus Christ The book also points out that living a Biblical life can be challenging in today's world where many people have different values but it encourages readers to stand firm in their faith and let the Bible be their guide no matter what It reassures readers that they don't have to do this on their own as God provides strength and guidance through the Holy Spirit Authentic Christianity The Heart of Old Time Religion is a powerful reminder that true Christianity is not complicated it's about believing what the Bible says and letting that belief guide how you live every day The book encourages readers to get back to the basics of their faith to trust in God's Word and to live in a way that reflects the teachings of the Lord Jesus Christ It's a book that will inspire and challenge you to live out your faith in a real and meaningful way not just in church on Sundays but in every aspect of your life Whether you're a new believer or someone who has been a Christian for a long time this book will help you deepen your faith and remind you of the importance of simply believing and behaving Biblically according to Scripture It's a call to return to the heart of Christianity where faith is genuine and actions speak louder than words making it a valuable resource for anyone who wants to live a life that truly honors God

The Distinction between Cultural and Authentic Christianity William Miller, 2024-08-27 The Distinction is written in response to Dean Inserra's The Unsaved Christian Reaching Cultural Christianity with the Gospel That book speaks of the most plentiful field of harvest for soul winners in the American Christian churches That field is the vast congregation of unsaved Christians While Inserra's book is valuable it does little to define the difference the distinction if you will between authentic and purely cultural Christians This book seeks to identify and detail that distinction

Authentic Christianity Peter Watts, 2018-03-29 As a follower of Jesus you value honest and transparent relationships with others Yet you continue to discover that these characteristics seem to be rare within Christian churches It doesn't help the matter that a culture of detached professionalism pervades not only in the contemporary workforce but within these same Christian communities Because of this Christians are not widely known for authenticity You may even feel stifled in the congregation you've been part of for years and you wouldn't be the only one When silence permeates a church the domino effect can topple the members' ability to truly relate to and understand one another Yet the path of Jesus offers lessons in authenticity that are still relevant to his
