Becoming Countess Dumont:

Becoming Countess Dumont K. Webster, 2015 Edith Merriweather has done deplorable things in her past including breaking her younger sister's heart by betraying her in the most unforgiveable way. Edith is ready to come clean and beg for forgiveness when a handsome stranger enters her life. He offers her an escape from reality where she is destined to be a poor single woman for the rest of her years. This man entices her with a contract she simply cannot refuse. The great Earl of Havering Alexander Dumont has chosen to wed Edith. But not because the playboy loves her. No, Alexander needs a wife in order to convince his father that he's settled down and capable of inheriting their exorbitant amount of wealth. He promises to lavish Edith with his riches and indulge her in any desire she could ever want, including allowing her to have as many lovers as she so pleases. And the most appealing part of it all is she'll also become a countess. Together Alexander and Edith conspire to pull off one of the greatest deceptive acts of their time. Somewhere along the way, though, the lines of their faux marriage become blurred and something altogether foreign enters the picture. Love will become Countess Dumont weaken Edith's heart which she's always kept protected under a hard, callous outer shell. And if Alexander breaks her vulnerable heart, will she be able to continue the sham of their marriage or reveal the falsehood to his father?

Untimely You K Webster, 2016-07-19 From USA Today Bestselling Author K Webster comes a steamy contemporary romance standalone novel. I will forever punish myself for the past. The reminder of my failures slaps me in the face every single day. Happiness is something I'll never know again. My life is orderly and organized. Emotions are kept compartmentalized or else functioning is impossible. It's a self-imposed prison, but it's necessary. I deserve this life. Love, though, ignores all rules. Throws a messy, irritating, beautiful woman right in my face. Taunts me with the hope that maybe I could bask in one sliver of her blinding light. I can't ignore her, even though I try. This can't happen between us. I don't deserve her. She needs someone who can love her fully and without restrictions. I'm not that man. Love doesn't care. Love changes everything. And the timing couldn't be worse.
