Transforming Authority Katharina Pyschny, Sarah Schulz, 2021-09-07 Human leadership is a multifaceted topic in the Hebrew Bible from a synchronic as well as diachronic perspective A large range of distributions emerges from the successive sharpening or modification of different aspects of leadership While some of them are combined to a complex figuration of leadership others remain reserved for certain individuals Furthermore it can be considered a consensus within scholarly debate that concepts of leadership have a certain connection to the history of ancient Israel which

is though hard to ascertain Following a previous volume that focused on the Pentateuch and the Former Prophets BZAW 507 this volume deals with different concepts of leadership in selected Prophetic Hag Zech Jer and Chronicistic literature Ezra Neh Chr They are examined in a literary religious tradition historical and theological perspective Special emphasis is given to phenomena of transforming authority and leadership claims in exilic post exilic times Hence the volume contributes to biblical theology and sheds new light on the redaction reception history of the texts Not least it provides valuable insights into the history of religious and or political authorities in Israel and Early Judaism

s Expository Hermeneutics Elliott Johnson,2023-10-30 Expository Hermeneutics invites the student on a journey to a life and ministry based on exposition of the Bible Hermeneutics provides a guide to understand the message and apply that message in its original setting and then in a comparative way in the contemporary day We adopt the Scriptures view of itself as God's word As a result we believe the Bible has a truth value as reflected in the canon of Scripture The goal of hermeneutics defines verbal meaning as the author's willed type message read as a whole book so that the message is communicated with a truth content to be understood The method of hermeneutics is both read in a circular pattern and practiced as an objective task It is objective in the sense that God authors a transhistorical message and the reader is aware of their own presuppositions and adopts those of Scripture As such the message can be validated in its truth content However this does not prove it true even though it provides an evidential conviction that the truth value has been understood *Annual Interpretative Expository* 2020-2021 Church Of God In Christ Publishing House,2020-12-04 Sunday School across America is on a decline Biblical literacy is at an unprecedented low amongst believers and it seems as if there is no end to where this could lead to in our churches The COGIC Sunday School department desires to help aid literacy by providing quality supplemental lesson material Enlisting help from scholars across the country the department wrote the Interpretative Expository an exposition for each lesson of the Sunday School curriculum Also to assist pastors preachers missionaries and laity with sermon subjects and preparation our team has included a sample sermon outline from one of the lessons Reemphasize the message of Sunday School by preaching a message from the text of the lesson

American Book Publishing Record ,2005 *The AMG Concise Bible Commentary* Don Fleming,Senior Lecturer in Law Don Fleming,2002-04 When People Read the Bible they are often frustrated by the wide gap in time and culture that separates them from the original readers The aim of the *The AMG Concise Bible Commentary* is to bridge the gap by providing the sort of information that ordinary readers are looking for in their search for a clearer understanding of the Bible With a clearer understanding the Bible becomes more relevant *The AMG Concise Bible Commentary* also bridges the gap between a technical Bible commentary and the person who has little technical knowledge when it comes to understanding the Bible The commentary is based on a firm Biblical scholarship but the reader does not have to be a Biblical scholar to understand it It retains its credibility as a reliable reference work yet presents the material in an easy to read and non technical style It is simple but not simplistic It seeks to be true to the

Biblical material while at the same time being helpful to the reader Book jacket *The Church School Journal*, 1922

Scattered and Gathered Sadiri Joy Tira, Tetsunao Yamamori, 2020-07-31 The twenty first century is marked by mass migration Massive population movements of the last century have radically challenged our study and practice of mission Where the church once rallied to go out into the regions beyond Christian mission is currently required to respond and adapt to missions around As a result leaders in this field have been developing diaspora missiology to provide a missiological framework for understanding and participating in God s redemptive mission among peoples living outside their places of origin In this volume experts in diaspora missiology from across the globe analyze the development of missions to migrants and add to our understanding of the contemporary church s opportunities and responsibilities for mission amongst diaspora groups
