Everyday Finances for the Everyday Family Mike Yorkey,2015-02-01 Everyday Finances for the Everyday Family takes the mystery out of stretching your hard earned dollars In fact the secret to successful living can be summed up in three simple steps 1 deny some of your wants 2 spend less than you earn and 3 avoid bad debts such as carrying a high balance on a credit card This easy to read resource guides you through commonsense principles that can help your family budget spend and save money wisely The advice given here is grounded in Hebrews 13:5 Keep your lives free from the love of money and be content with what you have Tunein' Dick Farnsworth,2012-10-23 Some people tune cars trucks and other machinery Others tune pianos organs and other musical instruments This is the story of a man who is able to tune the bodies of people and animals that are very sick or very seriously injured Tunein is the fictional story of a young boy with a very special gift of healing who too soon has to become a man Rod Harris a farm boy from Iowa is involved in a series of life changing adventures that affects the lives of many many people and in the process finds a trusted best friend in the form of a

young architect who is on his way up the economic ladder In an act of service he meets the woman who will become his eternal companion and a doctor who plays a major role in his life The story has plenty of intrigue and suspense but overall is a light and very enjoyable read There is a thread of continuity in the book that makes the novel a real page turner as Rod discovers that his gift is an ongoing one passing from generation to generation He also discovers in his relationship with nurse Amy Rollins who later becomes his wife that he is more than just a farm boy from Iowa and in fact that he is destined for great things in his life Later in life a revelation comes slowly but unmistakably that life exists after death and he is able to give great comfort to his loved ones as he unfolds for them the experience that taught him that this principle is more than just a hope or a dream Along the way he encounters absolute highs and miserable lows and achieves a balance in his life that most people never reach Tunein ends in a way that will have you reaching for your box of tissues and I think you will come away from reading the book uplifted and encouraged
