The Idea of Justice in Literature Hiroshi Kabashima, Shing-I Liu, Christoph Luetge, Aurelio de Prada García, 2018-05-07
The theme arises from the legal academic movement Law and Literature This newly developed field should aim at two major goals first to investigate the meaning of law in a social context by questioning how the characters appearing in literary works understand and behave themselves to the law law in literature and second to find out a theoretical solution of the methodological question whether and to what extent the legal text can be interpreted objectively in comparison with the question how literary works should be interpreted law as literature The subject of justice and injustice has been covered not only in treatises of law and philosophy but also in many works of literature On the one hand poets and writers have been outraged at the social conditions of their time On the other hand some of them have also contributed fundamental reflections on the idea of justice itself
