 Section on Statistical Education, 1990 *Statistical Thinking for Managers* David K. Hildebrand, Lyman Ott, 1998 Focusing
 on the analysis of data using modern statistical and spreadsheet software Hildebrand and Ott emphasize making sense of
 data and discuss not only how a statistical method is applied but why and why not Throughout the book the authors integrate
 computer use into the development of statistical concepts emphasizing the value of looking at data to make sure the right
 questions are being asked The real life applications and examples throughout challenge students to think like managers The
 case that concludes every chapter asks students to deal with a relatively unstructured situation and to explain the statistical
 reasoning in nontechnical language Modern statistical methods including resampling and bootstrapping are included In
