## **Antisemitism The Longest Hatred:**

**Antisemitism** Robert S. Wistrich, 1991 A history of antisemitism written to accompany the Thames Television series The Longest Hatred 1991 Surveys the evolution in antiquity from pagan hostility toward Jews to Christian anti Judaism and the latter's overwhelming influence on modern antisemitism Mentions the antisemitic leanings of 19th century socialist ideologues and of Karl Marx Traces the evolution of Austrian and German antisemitism and their culmination in Hitler's racist ideology and the legitimization of the Final Solution Examines postwar forms of antisemitism in both countries focusing on Fassbinder's play and the Waldheim affair Reviews past and present day antisemitism in Britain America France and Eastern Europe Remarks on the extent of anti Zionist propaganda in the Soviet Union and ideological antisemitic tendencies among former Soviet dissidents e.g. I Shafarevich Surveys the status of the Jews in Islamic lands blood libels in those countries widespread anti Jewish stereotypes the world Jewish conspiracy accusation and Islamic fundamentalist antisemitism **Antisemitism** Robert S. Wistrich, 1994 Available for the first time in paperback Wistrich's widely praised study takes a sweeping look at the phenomenon of antisemitism tracing the insidious hatred of Jews from its pagan roots to its manifestation in present day hotspots including Communist bloc countries and Middle Eastern Islamic lands Illustrated

**Antisemitism** Robert Solomon Wistrich, 1992 **A THREE PART BOOK: Anti-Semitism: The Longest Hatred / World War II / WWII Partisan Fiction Tale** Sheldon Cohen, 2017-10-20 Two parts of this three part book are based upon fact anti-Semitism and World War 2 One part of this book represents a fiction tale involving World War 2 Jewish refugees and Russian army soldiers teamed up for behind the lines partisan warfare against the invading Nazi army **End-Times Antisemitism** Olivier Melnick, 2018-05-30 Often known as The Oldest Hatred anti-Semitism has been punctuating Jewish history since biblical days As history's timeline moved towards modernism anti-Semitism evolved with the times Originally it was theological anti-Judaism that grew into social and geographical ostracism eventually culminating into racial hatred and ethnic cleansing during the Holocaust In our postmodern era a new anti-Semitism has come on the scene It is cloaked in a garment of social justice and tolerance that to this day continues to turn the victims into the perpetrators as people claim to be anti-Zionists or anti-Israel but certainly not anti-Semitic anymore Yet more recently as documented in this book classical anti-Semitism has merged with the New anti-Semitism to create a new breed of Jew hatred that I call Eschatological anti-Semitism or End Times anti-Semitism I posit that this anti-Semitism of the Last Days is different from all his predecessors and much more lethal as well Biblically it is Israel's enemy's Satan last attempt at completely annihilating the Jews This author will compare the different anti-Semitisms historically culturally and biblically as well as expose the current increasing danger of End Times anti-Semitism More than an expos this book will also offer to equip the reader with the Judeo-Christian principles necessary to fight this final evil against the Jewish people **Longest Hatred: The History of Anti-Semitism** [VHS], 1993 **Demonizing the Other** Robert S. Wistrich, 2013-03-07 At the close of the twentieth century the

stereotyping and demonization of others whether on religious nationalist racist or political grounds has become a burning issue Yet comparatively little attention has been paid to how and why we fabricate images of the other as an enemy or demon to be destroyed This innovative book fills that gap through an interdisciplinary cross cultural approach that brings together a distinguished array of historians anthropologists psychologists literary critics and feminists The historical sweep covers Greco Roman Antiquity the Middle Ages and the Modern Era Antisemitism receives special attention because of its longevity and centrality to the Holocaust but it is analyzed here within the much broader framework of racism and xenophobia The plurality of viewpoints expressed in this volume provide fascinating insights into what is common and what is unique to the many varieties of prejudice stereotyping demonization and hatred

Between Redemption & Perdition Robert S. Wistrich, 2020-04-06 Originally published in 1990 this book focuses on the challenge to Jewish identity posed by the conflicting forces of enlightenment emancipation modern political antisemitism and secular ideologies like Zionism nationalism and socialism At the heart of his discussion stands the intense tortured and ultimately tragic encounter of Jews with Germans and Austrians He also deals at length with the new problems of Jewish cultural and political identity posed by the existence of the state of Israel and its embattled position among the nations In the course of the analysis the book looks at the tragedy of assimilation in central Europe with the optimistic dream of Enlightenment and Bildung coming to a climax in the nightmare of racial antisemitism and the Holocaust He explores the ambivalent relationship of the Jews with the European Left showing how many Jewish intellectuals found a new political home in radical and socialist movements though these movements often retained negative stereotypes of Jews and Judaism and exhibited a fierce opposition to the maintenance of any separate Jewish identity The role of Zionism is discussed and the more recent challenges to its legitimacy examined

**A Lethal Obsession** Robert S. Wistrich, 2010-01-05 In this unprecedented work two decades in the making leading historian Robert S Wistrich examines the long and ugly history of anti Semitism from the first recorded pogrom in 38 BCE to its shocking and widespread resurgence in the present day As no other book has done before it A Lethal Obsession reveals the causes behind this shameful and persistent form of hatred and offers a sobering look at how it may shake and reshape the world in years to come Here are the fascinating and long forgotten roots of the Jewish difference the violence that greeted the Jewish Diaspora in first century Alexandria Wistrich suggests that the idea of a formless God who passed down a universal moral law to a chosen few deeply disconcerted the pagan world The early leaders of Christianity increased their strength by painting these superior Jews as a cosmic and satanic evil and by the time of the Crusades murdering a Christ killer had become an act of conscience Moving seamlessly through centuries of war and dissidence A Lethal Obsession powerfully portrays the creation of the Protocols of the Elders of Zion the fateful anti Semitic tract commissioned by Russia's tsarist secret police at the end of the nineteenth century and the prediction by Theodor Herzl Austrian founder of political Zionism of eventual disaster for the Jews in Europe The twentieth century fulfilled this dark prophecy with the horrifying

ascent of Hitler's Third Reich Yet as Wistrich disturbingly suggests the end of World War II failed to neutralize the Judeophobic virus Pogroms and prejudice continued in Soviet controlled territories and in the Arab Muslim world that would fan flames for new decades of distrust malice and violence Here in pointed and devastating detail is our own world one in which jihadi terrorists and the radical left blame Israel for all global ills In his concluding chapters Wistrich warns of a possible nuclear Final Solution at the hands of Iran a land in which a formerly prosperous Jewish community has declined in both fortunes and freedoms Dazzling in scope and erudition *A Lethal Obsession* is a riveting masterwork of investigative nonfiction the definitive work on this unsettling yet essential subject It is destined to become an indispensable source for any student of world affairs Addressing Anti-Semitism in Schools Office for Democratic Institutions and Human Rights (ODIHR), Organization for Security and Cooperation in Europe (OSCE), UNESCO, 2020-11-17 **Hatred Among Men**, 2011

**Between Redemption & Perdition** Robert S. Wistrich, 2001-11-06 Hitler and the Holocaust is the product of a lifetime's work by one of the world's foremost authorities on the history of anti-Semitism and modern Jewry Robert S Wistrich begins by reckoning with Europe's long history of violence against the Jews and how that tradition manifested itself in Germany and Austria in the early twentieth century He looks at the forces that shaped Hitler's belief in a Jewish menace that must be eradicated and the process by which once Hitler gained power the Nazi regime tightened the noose around Germany's Jews He deals with many crucial questions such as when Hitler's plans for mass genocide were finalized the relationship between the Holocaust and the larger war and the mechanism of authority by which power and guilt flowed out from the Nazi inner circle to ordinary Germans and other Europeans He explains the infernal workings of the death machine the nature of Jewish and other resistance and the sad story of collaboration and indifference across Europe and America and in the Church Finally Wistrich discusses the abiding legacy of the Nazi genocide and the lessons that must be drawn from it A work of commanding authority and insight Hitler and the Holocaust is an indelible

**Antisemitism Today** Kenneth Saul Stern,2006 What is new in present day antisemitism is not the forms which remain religion and race based and political but the circumstances including the aftermath of the breakup of the USSR and new demographic realities especially the Arab Muslim presence and propaganda in the West Summarizes data on recent antisemitic expressions around the world Surveys Europe the Arab and Muslim worlds and the USA especially the scene on college campuses At the 2001 Durban Conference anti racism was manipulated to serve anti Zionist and general antisemitic purposes Further the events of 9 11 were sometimes interpreted especially in the Arab Muslim world as the result of a Jewish conspiracy Recommends ways of responding to antisemitism as adopted by the American Jewish Committee e g focusing on the type of antisemitism and its venue in order to devise counter strategies including diplomacy and cooperation rather than confrontation Recommends independent research to determine the effectiveness of strategies and in view of some studies questions the long range usefulness of Holocaust education as a tool for reducing antisemitism     **Hitler's Apocalypse** Robert S.
