*Undergraduate Guide: Two-Year Colleges 2011* Peterson's, 2010-08-24 Peterson's Two Year Colleges 2011 includes information on nearly 2 000 accredited two year undergraduate institutions in the United States and Canada as well as some international schools. It also includes scores of detailed two page descriptions written by admissions personnel. College bound students and their parents can research two year colleges and universities for information on campus setting, enrollment, majors, expenses, student faculty ratio, application deadline and contact information. SELLING POINTS: Helpful articles on what you need to know about two year colleges, advice on transferring and returning to school for adult students, how to survive standardized tests, what international students need to know about admission to U.S. colleges and how to manage paying for college. State by state summary table allows comparison of institutions by a variety of characteristics including enrollment, application requirements, types of financial aid available and numbers of sports and majors offered. Informative data profiles for nearly 2 000 institutions listed alphabetically by state and followed by other countries with facts and figures on majors, academic programs, student life, standardized tests, financial aid and applying and contact information. Exclusive two page in depth descriptions written by college administrators for Peterson's Indexes offering valuable information on associate degree programs at two year colleges and four year colleges, easy to search alphabetically.
