After The Fight Using Your Disagreements To Build A Stronger Relationship:

After the Fight Daniel B. Wile, 1993 What do partners do after a fight If they re like most people they apologize I m sorry I had a bad day and I took it out on you Or they wake up the next morning and pretend that nothing happened hoping their partner will do the same In neither case do they talk about the fight They re too afraid that doing so will simply rekindle it and they re right it probably would But since they don t talk about the fight nothing ever really gets resolved Daniel B Wile author of *Couples Therapy* and *After the Honeymoon* devotes this entire book to an analysis of a single night in the life of a couple Marie and Paul By tapping into their self talk their ongoing conversations with themselves he discovers what starts escalates and rekindles fights and also what potentially allows for a useful conversation about a fight Wile reveals the half thoughts and half feelings that generally go unnoticed the anxious flashes depressive waves two second self directed diatribes and two second mental divorces
