Afterglow

Julia C. R. Dorr, 2015-07-08 Excerpt from Afterglow Later Poems Inconsistency When dawns some day fairer than other days And all the mountain passes are aglow With its supernal splendor and the low Dim valleys sleeping in the woodland ways Waken to glorious life at morn's first rays When happy birds sing and all winds that blow Laden with seeds of blessing come and go And earth no secret of her woe betrays Then O beloved when my heart is light And all is well with me and pain and care Have vanished as a dream of last year's rose Fades with the passing of a summer night My soul in ecstasy of love and prayer Cries God I thank thee that he knows he knows About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

In the Afterglow Poems (Classic Reprint)

Mary Lowe Dickinson, 2015-07-08 Excerpt from In the Afterglow Poems If We Had But a Day We should fill the hours with the sweetest things If we had but a day We should drink alone at the purest springs In our upward way We should love with a life time's love in an hour If the hours were few We should rest not for dreams but for fresher power To be and to do We should guide our wayward or wearied wills By the clearest light We should keep our eyes on the heavenly hills If they lay in sight We should trample the pride and the discontent Beneath our feet We should take whatever a good God sent With a trust complete We should waste no moments in weak regret If the day were but one If what we remember and what we forget Went out with the sun We should be from our clamorous selves set free To work or to pray And to be what the Father would have us be If we had but a day About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may
