Key Of Valour:

Key of Valor Nora Roberts, 2003-12-30 A woman's quest for courage opens her heart to love in the third Key Trilogy novel from 1 New York Times bestselling author Nora Roberts. Growing up, Zoe McCourt did not have an easy life; some might call it disadvantaged. A hairstylist from a West Virginia trailer park, she ended up in beautiful Pleasant Valley, Pennsylvania, by sheer determination. How she ended up on a quest for a key to unlock the soul of a warrior demigoddess is another story. Invited to an imposing estate overlooking the town, she met Malory Price and Dana Steele. Each woman was at a crossroads in her life, each facing an uncertain future. And a mysterious couple offered them the chance of a lifetime: a million dollars each if they could free the trapped souls of three mythological sisters: an artist, a bard, and a warrior. Malory and Dana had to reach deep inside themselves to find their keys and not without paying a price. Now it has become Zoe's quest. As a single mother, she has more to risk than to lose. But her courage in the face of overwhelming odds cannot be underestimated. A nurturer to her son, a defender of her friends, she must confront dark forces amassed against her to make all of their dreams come true. Don't miss the other books in the Key Trilogy: *Key of Light*, *Key of Knowledge*.

Key of Valour Nora Roberts, 2003-12-30 Do you believe in magic? When Zoe McCourt was sixteen, she had been dazzled by the handsome and wealthy James Marshall. He had taken her innocence and left her to bring up their child alone. Now, after ten years of struggle, Zoe's life is finally coming together. Her son, Simon, is her pride and joy, and she is about to venture into business with her new found friends, Malory and Dana. There is even a hint of romance on the horizon in the very sexy form of Bradley Charles Vane IV, a man whose wealth and good looks make Zoe a little wary, but seriously tempted to throw caution to the wind. But before she can embrace her future, she has a challenge to face. For Malory, Dana and Zoe have been chosen to undergo a quest to free the souls of three demi-goddesses trapped by an ancient evil. It is a challenge that promises great riches, but also grave danger. And of all of them, Zoe has the most to lose. Three women, three keys to find. If one fails, they all lose. If they all succeed, money, power and a new destiny awaits. It will take more than intellect, more than determination. They will have to open their hearts, their minds and believe that everything and anything is possible.
