Jake's Adventure Frank R.

Jarnot, 2013-04 This story depicts the adventures of a young man who accidentally discovers a large quantity of drug related cash during a trip in the Bahamian Islands which then allows him to extend his vacation further to a trip to France where he encounters a young caf waitress and convinces her to join him in traveling the rustic countryside by train. The young man and woman eventually yield to their desires at a later time and engage in a torrid love affair which leads them to become engaged and married. Their relationship and the young man's funds allowed them to visit the Bahamas where they simply relaxed and indulged themselves with many sensuous sexual encounters with each other. These torrid encounters eventually lead to the girl's pregnancy but she refuses to marry the young man due to fear of what her uncle and others may think of her and her present condition. The young couple finally agreed to be officially married in a church ceremony which was to be conducted in both the countries of France and the United States so that each of their family members could attend and celebrate their wedding and without knowledge of her pregnancy. Their baby girl is eventually born in Connecticut where the young man's Italian family members engage in many facetious episodes while caring for both the baby and mother and verbally clashing occasionally due to their cultural differences.
