The Singer's Life Clifton Ware, 2005-01-01 *The Singer's Life* Goals and Roles is based on a series of essays written for the National Opera Association's *Opera Journal* as a five year ongoing column titled *High Notes*. In 1998 president Arvid Knudsen approached me about writing a brief quarterly column for NOA's *Opera Journal* on a topic of interest to singers. At that time having been a singer for fifty years and a voice teacher for forty years I thought I might have some worthwhile information to share with vocal musicians so I enthusiastically accepted the assignment. After giving serious consideration to potential topics I settled on the idea of exploring the wide variety of roles played by singers metaphorically speaking the various hats worn by singers both as vocal musicians and as human beings. So this series of essays focuses on the many complex challenges inherent in the voice profession primarily from the point of view of classically trained singers but also relevant to singers of non classical music. To add a personal touch throughout the book I've included some relevant anecdotes and experiences that relate to each role as played out over my long career beginning as a starry eyed young singer and culminating as a teacher mentor and writer.
