Who's Who of Canadian Women, 1999-2000 Gillian Holmes, 1999-06-01 *Who's Who of Canadian Women* is a guide to the most powerful and innovative women in Canada. Celebrating the talents and achievement of over 3 700 women, *Who's Who of Canadian Women* includes women from all over Canada in all fields including agriculture, academia, law, business, politics, journalism, religion, sports and entertainment. Each biography includes such information as personal data, education, career history, current employment, affiliations, interests and honours. A special comment section reveals personal thoughts, goals and achievements of the profiled individual. Entries are indexed by employment or affiliation for easy reference. Published every two years, *Who's Who of Canadian Women* selects its biographees on merit alone. This collection is an essential resource for all those interested in the achievements of Canadian women.

**Canadian Reference Sources** Mary E. Bond, Martine M. Caron, 1996 This bibliography cites those Canadian and foreign reference sources that describe Canadian people, institutions, organizations, publications, art, literature, languages and history. It lists books of a general nature as well as works in the disciplines of history and the humanities. These large divisions are then broken down by subject, genre, type of document and province or territory. Titles of national, provincial, territorial or regional interest are included in every subject area when available. The contents of the book are indexed four ways: by name, title, French subject and English subject. And to facilitate browsing, the major reference books, those dealing with more than one subject or a large geographical region, are also cross-referenced. Two entries have been created for each bilingual document in order to provide access and bibliographical descriptions in both of Canada's official languages. Entries for unilingual works include citation in the language of the publication and a bilingual annotation. The annotations are descriptive and provide information on the content, arrangements and indexing of works, the availability of non-print formats, previous editions and title changes and related works. *Canadian Reference Sources* will be an invaluable reference tool for future scholars and researchers. *Material Culture Review*, 2012

**The Canadian Who's who**, 2001 **Art Et Architecture Au Canada** Loren Ruth Lerner, Mary F.
