Selling Used Books Online Stephen Windwalker, 2002 *Sell More Books* Webster Tsenase, 2018-11-14 Has your book sold less than 3000 copies If so then thank God you found this book because those sales are about to take off as a result of learning and applying what you will learn in this book There are 4 pillars which are integral to your book's success and they are 1 Marketing 2 Publicity 3 Distribution 4 Sales Those pillars when mastered will lead to steady book sales every year until you die or until you stop using the techniques laid within this book I first published my first book in 2011 and it didn't even sell a single copy then published my second one and it sold some copies but just not enough especially since I wrote that book for two years and worked very hard researching my topic and so forth It sucked so much because I knew that the content of my book was brilliant and that it was about something that was and still is a very serious topic Ever since then I have learned about how to really sell books directly and also digitally I have learned about how to reach the right people who will actually buy your book and not make comments about it I learned about how to handle my finances so that I can reinvest the money from book sales back into making more book sales I have learned so much after publishing 4 books of mine and selling over 10 000 copies that number sounds small and insignificant next to bigger ones but trust me it's not easy to sell that many books but I have figured out what worked and what works for me and I hope that it works for you too Are you ready to give your book the chance to really be successful Get my book it's a short read and it's also very practical by asking you to do certain things which will help you to understand the material more What more is there to say let's start selling more books **How to Buy and Sell (Just About) Everything** Jeff Wuorio, 2010-06-15 How to Buy Sell Just About Everything The Ultimate Buyer's Guide for Daily Life Don't make another purchase before you buy this ultimate buyer's guide With more than 550 how to solutions these pages are packed with savvy strategies for choosing and locating and unloading and liquidating both everyday items and once in a lifetime splurges with special emphasis on how to find bargains and broker great deals The clear and friendly information in How To Buy Sell Just About Everything makes any buying or selling decision easy from selecting baby gear to saving for college from hawking lemonade to selling your company Browse these pages to discover how to Buy a House Sell a Car Buy Happiness Sell Your Old Computer Buy Mutual Funds Hire a Butler Choose a Diamond Ring Purchase a Tent Get Breast Implants Negotiate a Better Credit Card Rate Buy a Hot Dog Stand Sell Your Baseball Collection Outfit a Nursery Book a Cheap Safari and much much more Written and designed in the same easy to use format as its predecessors How To Do Just About Everything and How to Fix Just About Everything this invaluable collection includes concise instructions helpful tips and comparison charts everything you need to understand product features prevent problems and guarantee smart purchasing decisions This is the only book you need to make the most of your money *American Bookseller*, 1992 I Never Pay Retail Starr Phillips, 1985 **How To Make Money Selling Used Books On Amazon** Gerald Zimmerman, 2014-09-05 Making money online is the goal of many people today and

there is a plethora of things that you can sell on line This is one that I did very well with and so can YOU Here are the opening paragraphs from this excellent book on making money online If you are reading this book then you are probably like millions of others who are looking for a good way to earn some extra money online Right Of course I m right That s why you are here I have been in exactly the same place as you And have scoured the web looking for just the right thing the right combination to help support my family and our way of life I started doing this before the financial downturn that we are suffering through right now I was looking for extra money in the checkbook And I found it in a number of places But today with things as they are it is often a matter of making money to live on rather than just getting some extra money And it is with that in mind that I am writing this book So What Is This Way That I Can Make Money The source of some good cash that I found was selling used books online through Amazon the largest online retailer in the world Amazon has over 200 000 000 credit card numbers on file and they actually help you to sell your books You list them online through Amazon millions of people look at those listings every day and untold numbers of books are sold daily including yours What Does It Cost To Get Started Actually it will cost you little or nothing to get started Finding those books around the house on shelves on top of the dresser in the closets in the attic is the first place to start your business Research the pricing and list the book on Amazon Then watch the sales start to come in There are also a lot of places you can go to find used books at reasonable prices which you can then list with a higher price than you paid I ll reveal those places in the pages of this book How Much Can I Make Selling Used Books Online Of course the answer to that question is really how much do you want to earn There are many people who do it as a hobby and make a hundred or so monthly And then there are people who do it as a business and make several thousand dollars monthly That is up to you I always remind myself that Amazon began in someone s garage selling used books online Today they are one of the largest businesses in America So how much can you make The sky is the limit In Reality What Will This Book Do For ME In this book I ll tell you How to find books How to increase your inventory of books How to research for the right price to list your book at Detailed instructions on how to list your book and how to rate its condition How to package your book for shipment The best way to ship and add postage And other important information that you should be aware of The Final Conclusion Then Is So how can you go wrong with this book You can start with what you have around the house add to your inventory from other sources package books daily for shipment and get instant access to your profits through PayPal Sell a few Sell a lot It really is up to you And you can start today Really now what more could you ask
