funds since 1981 were selected for study in order to isolate effective school practices Nine of these schools were included  
also in the earlier 1981 82 project this publication therefore contains descriptions of only the 15 new achieving compensatory  
education funded schools Overall findings and conclusions however are based on all 24 schools The goal of this study was to  
recognize successful Chapter 1 schools so that they can serve as models for other schools All of these schools rated high on  
the following criteria 1 strong academic emphasis 2 ongoing monitoring of student needs 3 instructional effectiveness for  
students and in service training for teachers and 4 facilitating a classroom environment conducive to achievement Fifteen  
case studies of effective Chapter 1 schools are presented Descriptions of some of the schools programs are provided There  
are also discussions of particularly effective aspects of the programs at all the schools Three appendices contain research
