This book presents cutting edge methods and findings that are expected to contribute to significant advances in the areas of communication design, fashion design, interior design and product design, as well as musicology and other related areas. It especially focuses on the role of digital technologies and on strategies fostering creativity, collaboration, education, as well as sustainability and accessibility in the broadly intended field of design. Gathering the first volume of the proceedings of the 9th EIMAD conference held in hybrid format from 27 to 29 June 2024 and organized by the School of Applied Arts of the Polytechnic Institute of Castelo Branco in Portugal, this book offers a timely guide and a source of inspiration for designers of all kinds, advertisers, artists and entrepreneurs, as well as educators and communication managers.

Proceedings of the International Conference of Innovation in Media and Visual Design (IMDES 2023) Yusup Sigit Martyastiadi, Lalitya Talitha Pinasthika, Aditya Satyagraha, 2023-12-03. This is an open access book. The existence of digital virtuality in the midst of an information society has become an integral component of the human existential condition. New spaces for exploring the engagement of design and its impact on humans in digital virtuality continue to grow exponentially. Innovation in Media and Visual Design IMDES 2023 welcomes thoughts and works of academics, researchers and practitioners related to virtuality, design technology, mass media and people from various perspectives, disciplines and fields of knowledge. *Advances in Human Factors in Communication of Design* Amic G. Ho, 2019-06-07. This book focuses on the emerging role of human factors in understanding communicating with and engaging users. It reports on innovative approaches highlighting visual cues such as new typographies, geometries and graphics for mobile and computer interfaces. The book also covers image and video processing, user focused data compression, generative visuals, computational photography and interactive design. Further topics include creative and empathetic design, human touch in digital graphics and experiential graphics. Based on the AHFE 2019 International Conference on Human Factors in Communication of Design held on July 24-28, 2019 in Washington D.C., USA, this book reports on new findings, best practices and case studies providing readers with a fresh perspective and novel insights into the applications of human factors for enhancing the communication of design to users. **Advertising**
