## Dynamic Stretching Guide:

**The Complete Guide to Stretching** Christopher M. Norris, 2015-11-05 A reasonable level of flexibility is essential to the healthy functioning of joints and muscles which in turn facilitates performance and reduces the risk of injury. Now in its 4th edition, *The Complete Guide to Stretching* provides an accessible overview of the scientific principles that underpin this form of training and offers more than 70 exercises designed to safely increase range of motion right across the body. *The Complete Guide to Stretching* is the definitive practical handbook for Sports participants and recreational exercisers who are keen to achieve a level of flexibility that will enhance their performance. Sports coaches and fitness instructors who are seeking a thorough understanding of the principles and practice of this often neglected component of physical fitness. Sport and exercise therapists who use stretching as an important part of a balanced rehabilitation programme. Full colour photographs demonstrate the stretches throughout.

**The Complete Guide to Personal Training: 2nd Edition** Morc Coulson, 2018-09-06 A revised and updated second edition of the popular *Complete Guide to Personal Training*. Expertly written and suitable for anyone working as or training to be a Personal Trainer. This is a complete reference guide for fitness professionals who prescribe exercise programmes to clients. This guide contains practical tips for designing a range of appropriate client exercise programmes. Importantly, it focuses on the best ways you can sustain a financially successful business in this area and how you can stand out from the crowd. It includes The foundations of personal training, Planning and delivering exercise programmes, Training methods and exercise techniques, Nutrition, Health and safety, Setting up marketing and growing a successful business. The book also includes all Level 3 requirements detailed within the Health and Fitness National Occupational Standards and the Qualifications Framework relating to personal training and has been awarded 3 CPD points by the Register of Exercise professionals.

**The Complete Guide to Personal Training** Morc Coulson, 2014-10-09 A complete reference guide for anyone involved in prescribing exercise programmes for personal training clients. *The Complete Guide to Personal Training* also covers all of the Level 3 requirements detailed within the Health and Fitness National Occupational Standards and the Qualifications Framework pertaining to personal training and provides the theoretical underpinning of how to programme appropriate exercise for your clients. Includes information on The foundations of personal training, Planning and delivering exercise programmes, Training methods and exercise techniques, this enhanced epub also contains nine videos of key exercises, Nutrition, Health and safety. The book contains practical tips for designing a range of appropriate client exercise programmes but always with a focus on the best ways you can sustain a business in this area and how you can stand out from the crowd. It is ideal for personal trainers in the health and fitness industry as well as those wishing to undertake qualifications in this area.
