But probably the biggest problem some people have with their Kindle is the fact that they can't use it. It's more so the fact that everyone tends to get a Kindle and they think that just opening it will magically make it work. It's a little bit more than that and sometimes it can be a bit messy when it comes to putting together a device and ensuring that you have it attached to the right account. Here is a preview of what you'll learn:

- Add an account
- Deregister an account
- Manage your account
- Adding multiple Kindles
- Changing profiles on an account

This book will give you everything that you need to know how to put together a Kindle account pretty quickly and how you too can manage all of the devices that you have. With many people it can be quite hard for those that don't know how to do this in order to put together the Kindle that works. However, with this book you'll be able to learn how to efficiently and without fail use the Kindle that you bought so that you can put your favorite media on here quickly and efficiently and how you can manage this relatively easily without too many issues as well. It's quite simple once you learn how to do it.
