## Amazon Australia Site:

**Pro PowerShell for Amazon Web Services** Brian Beach, 2014-01-14 Pro PowerShell for Amazon Web Services is written specifically for Windows professionals who already know PowerShell and want to learn to host Windows workloads in the Amazon Elastic Cloud Compute EC2 cloud service. The cloud offers information technology workers significant cost savings and agility unimaginable even just a few years ago. Tasks that traditionally took weeks of work costing thousands of dollars can be completed in minutes for a fraction of a penny. This book is a resource for using Microsoft's powerful scripting language PowerShell to create, host, manage, and administer workloads using a service widely recognized as the industry leader in cloud computing. Inside, find scripts to create and manage virtual machines, provision storage, configure networks with agility, and more, all using your preferred Windows scripting language. Use your PowerShell knowledge to harness the power of Amazon EC2 today. What you'll learn: Create, manage, and terminate Windows servers in the cloud. Manage storage options including backup and recovery. Configure a virtual network including subnets and route tables. Secure your servers using security groups and access control lists. Use Auto Scaling to respond to changing conditions. Deploy SQL Server using Relational Database Service. Use Simple Storage Service S3 to reliably store and archive data. Control access to resources using Identity and Access Management IAM. Who this book is for: Pro PowerShell for Amazon Web Services is for the intermediate to advanced Windows professional who is ready to make the leap to the Amazon cloud.

## How to Organise and Operate a Small Business in Australia

John English, 2024-05-24 You have an idea for a business but you're not sure where to begin. Or perhaps you have made a start but you're not sure what to do next. It's a common dilemma shared by everyone who has been down the same path. Where can I go for help? What are my legal obligations? How do I start making sales? How can I use digital marketing? How do I organise my operations? What's involved in employing staff? How do I handle my finances? How to Organise and Operate a Small Business in Australia is your hands-on guide to running your own business. This new 12th edition contains information, skills, and ideas that are up to date, easy to understand, and simple to use. It reflects fundamental changes that have taken place as a result of the pandemic and the surge in small business digital technology. A feature of this new edition is a series of reflective exercises designed to help you evaluate your business ideas for their commercial potential. Used by tens of thousands of Australians to become self-employed, this new 12th edition is the most comprehensive small business handbook.
