Television Drama from Germany Florian Krauß, 2024-08-01 This open access book examines how TV professionals in Germany have negotiated quality TV drama from 2015 to the present As practitioners have adapted quality TV a term most strongly associated with US series to their own national context they have simultaneously dealt with shifts in screenwriting and storytelling as well as with broader transformations of the local television industry As in other European countries in Germany this has included a crucial upheaval the emergence of various streaming services which has multiplied the television market As a systematic study of this changing fiction industry Television Drama from Germany will be of great interest to both academics and practitioners working both within and outside the German language television market *The new online trade* Gerrit Heinemann, 2023-03-30 This book presents developments and future trends in e commerce which is shaped by customers new digital communication and consumption patterns Gerrit Heinemann sheds light on e commerce business models channel excellence as well as success factors such as digital time advantages and customer centricity He analyzes the digital challenges and highlights the consequences and opportunities associated with online commerce Recognized best practices illustrate how successful digital commerce works and what the lessons learned of the past years are The 13th edition describes which new approaches will shape the future of online retail and which developments will remain long term issues While for example app and smartphone commerce including mobile payment continue to be long running issues the environmental issue is coming at online commerce with a concentrated charge This means that people's growing need for more sustainability and consideration for the environment has now also arrived in e commerce This work is therefore devoted to sustainable e commerce in the context of online logistics which runs counter to the new trend towards quick commerce The topics of climate neutrality and returns management are also increasingly coming into focus In addition current topics such as the marketplace theme and social commerce will be explored in greater depth Furthermore numerous new legal requirements are taken into account which place increased obligations on marketplace operators in particular The content Meta targeting and business ideas in online retailing Business model of online trade Forms of online trade Business systems and benchmarks in e commerce Best practices and risks in online retailing *Teen TV* Florian Krauß, Moritz Stock, 2025-05-13 Teen TV is booming Current youth series on streaming platforms are a clear indication of this but have so far received little attention in German language media studies This anthology provides a fundamental introduction to serial teen TV and takes a look at central case studies from 13 Reasons Why to DRUCK the German adaptation of the Norwegian transmedia youth drama SKAM In addition to the content and aesthetics of serial teen narratives it looks at their reception and production contexts *The Impact of Digitalization on Sports Broadcasting* Martin Hagelgans, 2022-11-24 Sports streaming services offer consumers the ability to watch live sports events on a variety of devices such as a TV laptop tablet or smartphone Compared to movie streaming services e g Netflix streaming sports events is very different as the time aspect

plays a very important role As soon as the respective live sporting event has taken place and has been broadcast live the interest in this event drops rapidly This book deals with the analysis of digital technologies and streaming technology on sports broadcasting The focus is on the German sports broadcasting industry The main objective is to identify and analyse the different parameters that have changed due to the disruptive innovation of streaming and other technological innovations

Woke Cinderella Suzy Wolmann, 2020-10-14 Glass slippers a fairy godmother a ball a prince an evil stepfamily and a poor girl known for sitting amongst the ashes incarnations of the Cinderella fairy tale have resonated throughout the ages Hidden between the lines of this fairy tale exists a history of fantasy about agency power and empowerment This book examines twenty first century Cinderella adaptations that envision the classic tale in the twenty first century through the lens of wokeness by shifting rhetorical implications and self reflexively granting different possibilities for protagonists The contributors argue that the Cinderella archetype expands past traditional takes on the passive princess From Sex and the City to Game of Thrones from cyborg Cinderellas to Inglorious Basterds contributors explore gender bending and feminist adaptations explorations of race and the body and post human and post truth rewritings The collection posits that contemporary Cinderella adaptations create a substantive cultural product that both inform and reflect a contemporary social zeitgeist
