The Complete Guide to Paying for College Leah Ingram, 2017-09-18 College costs are straining every family except the richest. Most financial aid goes to the neediest families. The middle class typically doesn't qualify for need based financial aid even though most can't afford to pay cash for college and their salaries haven't allowed them to save enough to cover all costs. If these families are trying to put more than one child through college the challenges are exponential. If you've been asking how your child can receive a quality education even though you can't pay today's college tuition out of pocket. The Complete Guide to Paying for College is the answer. This step by step guide includes actionable tips to save on education costs and the many living expenses room board books activities that apply to the first year and beyond. Leah Ingram a money saving expert and parent of two college students reveals the insider tricks to pay for college including How to find bona fide scholarships not spam and scams. Where parents can work to receive tuition benefits. The pros and cons of earning college credits before graduating high school. Which schools give out the most merit aid even if you're not a rocket scientist. Paying for college just got a lot easier for millions of families.
