**Streampunks** Robert Kyncl, Maany Peyvan, 2017-09-05 An entertainment and tech insider YouTube's chief business officer delivers the first detailed account of the rise of YouTube the creative minds who have capitalized on it to become pop culture stars and how streaming video is revolutionizing the media world In the past ten years the internet video platform YouTube has changed media and entertainment as profoundly as the invention of film radio and television did more than six decades earlier Streampunks is a firsthand account of this upstart company examining how it evolved and where it will take us next Sharing behind the scenes stories of YouTube's most influential stars Streampunks like Tyler Oakley Lilly Singh and Casey Neistat and the dealmakers brokering the future of entertainment like Scooter Braun and Shane Smith Robert Kyncl uses his experiences at three of the most innovative media companies HBO Netflix and YouTube to tell the story of streaming video and this modern pop culture juggernaut Collaborating with Google speechwriter Maany Peyvan Kyncl explains how the new rules of entertainment are being written and how and why the media landscape is radically changing while giving aspiring Streampunks some necessary advice to launch their own new media careers Kyncl persuasively argues that despite concerns about technology impoverishing artists or undermining artistic quality the new media revolution is actually fueling a creative boom and leading to more compelling, diverse and immersive content Enlightening, surprising and thoroughly entertaining Streampunks is a revelatory ride through the new media rebellion that is reshaping our world

**European Television Fiction Renaissance** Luca Barra, Massimo Scaglioni, 2020-11-29 This book maps the landscape of contemporary European premium television fiction offering a detailed overview of both the changes in the digital production and distribution and the emergence of specific national and transnational case histories Combining a media production approach with a textual and audience analysis the volume offers a complex, stratified, systemic view of ongoing aesthetic

sociocultural and industrial developments in contemporary European TV With contributions from leading experts in the field the book first offers an overview of the industrial policy and cultural context for the renaissance of European television drama over the past decade based on original comparative research This research is then supported by case study chapters from the key contexts within which quality European television is being produced offering a complex and complete picture of the industry s strengths and limitations its traditions and trends its constraints and future perspectives A European Television Fiction Renaissance is a must read book for TV scholars working across Europe and beyond in the areas of media studies international communications and television studies media industries studies production studies European studies and media policy studies as well as for those with an interest in television drama Netflix globalisation pay TV and on demand

Creating the Viewer Justin Wyatt,2024-04-23 A study of the largely hidden world of primary media market research and the different methods used to understand how the viewer is pictured in the industry The first book on the intersection between market research and media Creating the Viewer takes a critical look at media companies studies of television viewers the assumptions behind these studies and the images of the viewer that are constructed through them Justin Wyatt examines various types of market research including talent testing pilot testing series maintenance brand studies and new show ideation providing examples from a range of programming including news sitcoms reality shows and dramas He looks at brand studies for networks such as E and examines how the brands of individuals such as showrunner Ryan Murphy can be tested Both an analytical and practical work the book includes sample questionnaires and paths for study moderators and research analysts to follow Drawn from over fifteen years of experience in research departments at various media companies Creating the Viewer looks toward the future of media viewership discussing how the concept of the viewer has changed in the age of streaming how services such as Netflix view market research and how viewers themselves can shift the industry through their media choices behaviors and activities

**Watching TV** Harry Castleman,Walter J. Podrazik,2024-12-16

Castleman and Podrazik present a season by season narrative that encompasses the eras of American television from the beginning in broadcast through cable and now streaming They deftly navigate the dizzying array of contemporary choices so that no matter where you start on the media timeline Watching TV provides the context and background to this multi billion dollar enterprise Drawing on decades of research the authors weave together personalities popular shows corporate strategies historical events and changing technologies enhancing the main commentary with additional elements that include fall prime time schedule grids for every season date box timelines highlighted key text and selected photos Full of facts firsts insights and exploits from now back to the earliest days Watching TV is the standard chronology of American television and reading it is akin to channel surfing through history The fourth edition updates the story into the 2020s and looks ahead to the next waves of change This new edition is the first to also be available in a digital format

*Clarkson - Look Who's Back*

Gwen Russell,2017-06-01 THERE WAS A NATIONAL OUTCRY IN 2015 WHEN THE BBC ANNOUNCED THAT THEY WERE

PARTING WAYS WITH JEREMY CLARKSON HOWEVER ONE THING WAS CLEAR HE WAS NEVER GOING TO BE AWAY FROM OUR SCREENS FOR LONG During his time on Top Gear Jeremy Clarkson established himself as the nation's favourite motoring aficionado but also an unlikely political commentator with a knack for telling it like it is and putting his foot in it However his gaffes only made the nation love him more Whilst the Beeb tried to revive Top Gear after the departure of Clarkson May and Hammond with an all star line up including Chris Evans and Matt LeBlanc something just wasn't right They soon learned to their cost that there's no one quite like Clarkson From scandals over feckless Mexicans and infamous punch ups to his escapades on The Grand Tour this is the true story of his extraordinary life and career This entertaining and fully up to date biography charts Clarkson's rise and fall and rise again along with the uncensored views and hilarious anecdotes that have made him a national treasure

## Adopting the Melody of Term: An Mental Symphony within **Amazon Prime New Shows**

In some sort of taken by displays and the ceaseless chatter of immediate transmission, the melodic splendor and emotional symphony produced by the written word usually diminish into the backdrop, eclipsed by the constant sound and disruptions that permeate our lives. However, located within the pages of **Amazon Prime New Shows** a marvelous literary value filled with organic feelings, lies an immersive symphony waiting to be embraced. Crafted by a masterful musician of language, this interesting masterpiece conducts visitors on a psychological trip, well unraveling the hidden tunes and profound impact resonating within each cautiously crafted phrase. Within the depths of the poignant examination, we will explore the book's central harmonies, analyze their enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.
