Experiential Spectatorship William W. Lewis, 2024-11-07 *Experiential Spectatorship* offers a lens for analyzing audience experience with in a variety of contemporary media Using a broad based perspective this media includes participatory theatre video games digital simulations social media platforms alternate reality games choose your own adventure narratives interactive television and a variety of other experiential performance events Through a taxonomy that includes Immersion Participation Game Play and Role Play the book guides the reader to understand the ways mediatization and technics brought about by digital technologies are changing the capacities and expectations of contemporary audiences In their daily interactions and relations with their technologies they become mediatized spectators By reading these technologies impacts on individual subjectivity prior to acts of spectatorship one gains the tools to best describe how the spectator creates forms of relational exchange with their experiential media This book prepares the reader to think in a digital manner so they can best recognize how performance and spectatorship in the twenty first century are evolving to meet the needs of future waves of spectators brought up in a postdigital world

Peak TV's Unapologetic Jewish Woman Samantha Pickette, 2022-12-19 *Peak TV's Unapologetic Jewish Woman* Exploring Jewish Female Representation in Contemporary Television Comedy analyzes the ways in which contemporary American television with its unprecedented choice diversity and authenticity is establishing a new version of the Jewish woman and a new take on American Jewish female identity that challenges the stereotypes of Jewish femininity proliferated on television since its inception Using case studies of streaming cable and network comedy series from the past decade written and created by Jewish women including *Broad City* *Crazy Ex Girlfriend* *The Marvelous Mrs Maisel* among others this book illustrates how this new Jewish woman has been given voice and agency by the bevy of Jewish female showrunners interested in telling stories about Jewish women for wider audiences

Aestheticism, Evil, Homosexuality, and Hannibal Geoff Klock, 2017-10-11 In late 19th century England Oscar Wilde popularized aestheticism also known as art for art's sake the idea that art that beauty should not be a vehicle for morality or truth but an end in and of itself Rothko and Jackson Pollock enthroned the idea creating paintings that are barely graded panels of color or wild splashes Today pop culture is aestheticism's true heir from the perfect charismatic emptiness of Ocean's Eleven to the hyper choreographed essentially balletic movements in the best martial arts movies But aestheticism has a dark core one that Social Justice Activists are now gathering to combat revealing the damaging ideology reflected in or concealed by our most beloved pop culture icons Taking Bryan Fuller's television version of *Hannibal* *The Cannibal Lecter* as its main text and taking i ek style illustrative detours into *Malcolm in the Middle* *Dark Knight Rises* *Harry Potter* *Interview with a Vampire* *Dexter* and more this book marshals Walter Pater Camille Paglia Nietzsche the Marquis de Sade Kant and Plato as well as Dante Shakespeare Milton Blake Baudelaire Beckett Wallace Stevens and David Mamet to argue that Fuller's show is a deceptively brilliant advance of aestheticism both in form and content one that investigates how deeply art for art's sake and

lasting effective change in your organization and it's been proven effective by global IT and business consulting leader Infosys. The Live Enterprise operating model provides a clear path to transform large complex businesses into agile digital ecosystems that evolve with changing market needs and scale to any size. You'll learn how to apply the benefits of the startup operating model but go much further. This groundbreaking guide addresses issues critical to transform large organizations such as:

- Create an organizational structure that drives collaboration, innovation, strategic alignment, and new culture across distributed, interconnected teams.
- Respond quickly yet thoughtfully and scientifically to opportunities to create valuable new employee and customer experiences.
- Reengineer your value chain to see what's missing, what can be improved, and what can be eliminated to generate exponential value.
- Automate systems so routine decisions can be acted upon with maximum human intuition and minimum human intervention.

Groundbreaking in theory and long-term strategy, this game-changing guide includes practical steps you can take now for immediate, concrete results while laying the groundwork to operate with agility in the future. The application of Live Enterprise enabled Infosys to make the kinds of changes during the COVID crisis to not only survive but drive outstanding financial results. Now you can use this innovative approach to position your company for the highly unpredictable future ahead.
