Henceforth a Crown Henry T. Hudson,2009-02 Going beyond the common text in context approach to Paul s letter to Timothy Dr Henry T Hudson introduces pretext and subtext into his exposition He does this in order to bring home to the hearts of contemporary Christians what lay at the center of Paul s concern for the challenges that were before Timothy as he took over the leadership of the Church Paul was in prison in Rome and was awaiting execution The madman Nero was emperor There were many false prophets abroad and Christians everywhere were suffering persecution Paul even told Timothy that in the last days perilous times shall come How would he then counsel him He was comparatively speaking a young man He was also afflicted with frequent infirmities Pastor Hudson explores what Paul wrote and he does so trying to enter into the mind and heart of Paul He is of the opinion that what he wrote has practical bearing for Christians facing the challenges of life in the twentieth century

How Paul's writing related to the ancient communities is highlighted in the light of original data gleaned from her explorations on location in Crete, Ephesus and Rome. In addition, Paul's rhetorical and ministry strategies especially as they relate to women and their role in the church are explored. Throughout, Spencer presents an in-depth exegesis in a readable format enhanced by forty years of ministry.

1 and 2 Timothy, Titus Abraham Kuruvilla, 2021-04-12. **1 and 2 Timothy Titus A Theological Commentary for Preachers** engages hermeneutics for preaching employing theological exegesis that enables the preacher to utilize all the units of these epistles to craft effective sermons. This commentary unpacks the crucial link between Scripture and application, the theology of each preaching text pericope. The three letters collectively the Pastoral Epistles are divided into eighteen pericopes and what the author is doing with what he is saying in each is explored. The overall theological trajectory of the Pastoral Epistles concerns the promotion of God's economy by the community of God's people. The specific theological thrust of individual preaching units is captured in this commentary making possible a sequential homiletical movement through each pericope of the three epistles. While the primary goal of the commentary is to take the preacher from text to theology, it also provides two sermon outlines for each of the eighteen preaching units of the Pastoral Epistles. The unique approach of this work results in a theology for preaching commentary that promises to be useful for anyone teaching through 1 and 2 Timothy and Titus with an emphasis on application.

Second Timothy Paula Sewell, 2023-03-06. If there is ever a time when we need to read, study and obey the Word of God, it is now. The tide of lawlessness spreading like wildfire can be tempered when Christians know His Word and can accurately apply it to improve their lives and those around them. As the seismic tremors of deception attempt to penetrate the church, those who are rooted and grounded in God's Word can become effective witnesses in combating this evil end time occurrence. Paul, the apostle writing to his protege Timothy, warned of the events of the last days. He wrote, "But know this that in the last days perilous times will come." 2 Timothy 3:1. He noted nineteen vices that would grip society and become evident as people's hearts deteriorate and become increasingly wicked. Notably, these vices, fostered by deception and indifference to God and His Word, bring Paul's prophetic writing to reality. This commentary provides an in-depth study of the book of 2 Timothy. It was written to encourage believers to study to shew themselves approved unto God, rightly divide the word of truth, that will enable them to avoid the pitfalls of deception.
