**How to Lie with Statistics** Darrell Huff,1993-09-07 Probes such things as the sample study the tabulation method the interview technique and the ways in which numbers are used to fool rather than to inform *How to Lie with Statistics* Darrell Huff,1973 How to Lie with Statistics Darrell Huff,1973 **Summary of How to Lie With Statistics by Darrell Huff** QuickRead,Lea Schullery, Learn to identify how companies use statistics to deceive and manipulate the public Today our news is bombarded with statistical information We are given averages percentages and more and are simply expected to trust these numbers without question H G Wells understood the importance of understanding this information by stating Statistical thinking will one day be as necessary for efficient citizenship as the ability to read and write Unfortunately many in society don t have a strong sense of statistical thinking and writers take advantage of this by using the necessary vocabulary and numbers to dupe their readers At first glance numbers seem credible and trustworthy but if you take a deeper look you might find that there is more than meets the eye Throughout How to Lie With Statistics Darrell Huff shares the tricks writers use in statistics to their advantage As you read you ll learn when it is statistically safest to drive how to create the best sample in a study and why counting all the beans is simply too hard Do you want more free book summaries like this Download our app for free at <https://www.QuickRead.com> App and get access to hundreds of free book and audiobook summaries **DISCLAIMER** This book summary is meant as a preview and not a replacement for the original work If you like this summary please consider purchasing the original book to get the full experience as the original author intended it to be If you are the original author of any book on QuickRead and want us to remove it please contact us at hello.quickread.com

**How to Lie with Statistics** D. Huff,1969 *How to Lie with Statistics* ,1977 How to Lie with Statistics Darrell Huff,2010-12-07 If you want to outsmart a crook learn his tricks Darrell Huff explains exactly how in the classic How to Lie with Statistics From distorted graphs and biased samples to misleading averages there are countless statistical dodges that lend cover to anyone with an ax to grind or a product to sell With abundant examples and illustrations Darrell Huff s lively and engaging primer clarifies the basic principles of statistics and explains how they re used to present information in honest and not so honest ways Now even more indispensable in our data driven world than it was when first published How to Lie with Statistics is the book that generations of readers have relied on to keep from being fooled **SUMMARY - How To Lie With Statistics By Darrell Huff** Shortcut Edition,2021-06-01 Our summary is short simple and pragmatic It allows you to have the essential ideas of a big book in less than 30 minutes By reading this summary you will learn how to defend yourself against the misused statistics that litter our daily lives You will also learn the importance of statistical samples to be wary of missing data how to identify misleading graphs how to manipulate statistical jargon to your advantage what questions to ask yourself to avoid falling into the trap set by certain statistics Statistics are very useful but they can be misused to sell a product convince voters or attract attention For example a local newspaper with its focus on crime may make its readers

believe that they live in a dangerous place and a study explaining that after ingesting a certain medication colds tend to disappear may make people buy a product that is as effective as no treatment at all Statistics have the devious advantage of appearing factual which is what makes them attractive but in the mouth of a dishonest person they can fool even the most discerning readers This book serves not as an instruction manual for crooks but as a self defense manual for their potential victims honest people Buy now the summary of this book for the modest price of a cup of coffee **SUMMARY** Edition
