The Bangkok Asset Sonchai Jitpleecheep Book English Edition:

The Bangkok Asset John Burdett, 2016-07-12 Royal Thai Police Detective Sonchai Jitpleecheep is called to investigate a crime scene in Bangkok which quickly reveals itself to be anything but typical in this intelligent high octane psychological thriller New York Journal of Books For one thing the victim has been beheaded in a bizarre manner and for another a message was left in blood Then Sonchai is summoned to a river in the middle of the night to observe a spectacle that violates everything he holds dear as a Thai as a Buddhist and as a human being A trail of breadcrumbs has been carefully laid out for him but by whom Sonchai's search for answers takes him deep into the Cambodian jungle where he faces a conspiracy that may implicate the American CIA and the Chinese military and discovers exactly how far a government will go to protect its worst secrets

The Bangkok Asset John Burdett, 2016-09 In his latest case Sonchai is paired with young female inspector Krom Like him she's an outsider on the police force but she is socially savvy and a technological prodigy In the midst of a typhoon they witness a deadly demonstration of super human strength from a man who is seemingly controlled by a CIA operative Could the Americans really have figured out a way to create some sort of super soldier who is both physically and psychologically enhanced Are they testing it on him on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye

The Bangkok Asset John Burdett, 2015-08-04 Sonchai Jitpleecheep the brash and beguiling Royal Thai Police Force detective who has been our guide through John Burdett's five previous acclaimed Bangkok novels is back The former monk and devout Buddhist forever battling to protect his karma from the assaults of morally compromising cases is now faced with the most horrifying technological innovation to make its way to the streets of Bangkok and a conspiracy of almost unfathomable reach With Sonchai on this case is the young female inspector Krom Like Sonchai she's an outsider on the police force but unlike him she is socially savvy and a technological prodigy When they're called to a demonstration in the midst of a typhoon of the deadly superhuman strength of an American man who is seemingly controlled by a CIA operative they have no idea what they're actually witnessing or why Their reliably obtuse and unequivocally crooked boss Colonel Vikorn explains some of it but the most telling questions remain unanswered Could the Americans have figured out a way to create a physically and psychologically enhanced supersoldier Are they testing him or it on Thai soil And why is everyone from the Bangkok police to the international community so eager to turn a blind eye Searching for the answers to these questions Sonchai and Krom find themselves in a remote Cambodian jungle compound for aging American ex soldiers where they will discover just how far a government will go to protect its worst secrets both past and present But the case will also have much more personal repercussions for Sonchai shaking his world to its very foundation and perhaps finally forcing him to confront his long lost American father
