**The Sanders Price Guide to Sports Autographs**, 1999 **50 Most Forged Sports Autographs - Autograph Reference Guide** Autograph Reference, 2012-12-30 Introduction Every day uneducated buyers spend good money on non authentic autographs Most thinking they are getting a great deal or nobody else must know about this Sadly most educated buyers do and watch in wonderment why someone would spend hundreds even thousands of dollars on a worthless item This can be seen at local live auctions online auctions sales and even retail stores That is the core reason why we spent the time and effort on creating this guide Although there are only 50 profiles within this book we feel it covers a large magnitude of the most common forgeries currently available to buyers How to Use This Guide The purpose of the guide is to help educate and show buyers collectors and dealers what to look for when reviewing an autograph and to make a better decision on whether or not to buy Although this guide is very comprehensive and has an in depth view of what's good and bad it shouldn't be viewed as the final authority for authenticating autographs An educated buyer is a smart buyer but we encourage you to use authentication services when purchasing your valuable collectibles We hope this information will help you avoid bad purchases and make wiser buying decisions Autograph Examples Each profile will have a variety of different examples on different items such as Balls Jerseys Bats Sticks Helmets Gloves Flats Photos Index Cards Postcards etc Our attempt was to get high resolution examples for both authentic and non authentic signatures in some cases that was difficult mainly forgeries As for authenticity we used certified authentic examples and the non authentic examples are in our opinion not authentic All authentic signatures will have a black border framing the image the non authentic will have a grey border
