[WiiPi Leaks Manual](#) Jam Crab,2021-03-13 WiiPee Leaks WL Manual Jam Crab version

text only Description the smuggled out manual WM069 is the only known copy of the diabolical WiiPi organization see

warning This interruption of the WM069 and the graphic repositories offered for a low price on Google Play Books of

unofficial information and rumors will serve as the foundation of the entire WiiPi Leaks WL series and other related materials and channels for example the Dear Jammy letters Random Unexplained Diagrams RUD Jam Crab News Portraits Podcasts etc

Why do we need a manual for a fictional novel series Well according to the author Jam Crab there should be explanations due to the nature of the content Meaning the future world as contrived by the WiiPi organization in WM069 is constructed and

designed in accordance to the evil sinister WiiPi plot of world domination Also the WM069 does not stay within the physical cultural and or logic of our modern day society Therefore the behavior of the WiiPi characters organizations government

affiliations machines and contraptions to support this fictional story we needed to justified the absurdity of the stuff in the original WM069 manual Warning the whole WiiPi Leaks WL Series of books is a mix of ironic comedy political satire current

events and ludicrous inventions which we learned of from the Jam Crab not his or her real name WiiPi Leaks It touches on

some creepy topics So here s the warning and if these topics in the WL Series are offensive we apologize here in advance As mentioned the content is intended to be used solely for the purpose of entertainment and is meant as a comedic work for an adult audience In other words the authors would rather laugh than cry about corporate greed American politics our hap

hazard lives and any other issues throughout the world Updates there will need to be revisions as the series grows so it s

suggested the readers check for updated editions Note this WiiPi Leaks manual is free no graphic diagrams included and contains almost everything the reader needs to follow along with the story and the links to accompanying diagrams Who is Jam Crab Well we here at the Jam Crab Group JCG of channels simply interpret leaked messages from Jam Crab JC our WiiPi informant We have never met JC In fact he or she is believed to be on the run from the evil clutches of WiiPi So we just wish JC well and hope he or she keeps the leaks coming in The JCG intends to take all the possible measures to deter WiiPi from implementing their devious scheme
