The 11+ Creative Writing Paper is not included in all 11+ examination papers and is not a requirement set by all grammar schools. When it is included as part of the 11+ examinations, the way in which the paper is marked can differ between examination boards and consortiums.

The mark scheme provided here suggests ideas for tutors to use when marking the work completed by students on the 11+ Creative Writing Baseline Assessment Papers. Tutors can use these ideas as an initial starting point but should also refer to guidance set by the examination board that is relevant to each of their 11+ students' chosen grammar school(s).
