La Chatte:

LA Chatte Colette,1955-06-01 La Chatte Colette,1965 , **Double Agent Victoire** David Tremain,2018-06-11

Mathilde Carr notoriously known as La Chatte was remarkable for all the wrong reasons Like most spies she was temperamental scheming and manipulative but she was also treacherous A dangerous mix especially when combined with her infamous history of love affairs on both sides Her acts of treachery were almost unprecedented in the history of intelligence yet her involvement in the Interalli affair has only warranted a brief mention in the accounts of special operations in France during the Second World War But what motivated her to betray more than 100 members of the Interalli network the largest spy network in France Was she the only guilty party or were others equally as culpable Drawing on material from MI5 files Double Agent Victoire explores the events that led to her betrayal who may have cast the first stone and their motivations as well as how the lives and careers of those involved were affected It reveals a story full of intrigue sex betrayal and double dealing involving a rich cast including members of the French Resistance German Abwehr and British Intelligence *South West Secret Agents* Laura Quigley,2014-09-01 True tales of Second World War spies from across the West Country have been collected together for the very first time in this fascinating book From the rescue operations as the exodus from France began to the secret guerrilla army in Devon and Cornwall this book will amaze and intrigue with the incredible stories of Jasper Lawn of N51 the Helford Flotilla and the first escape routes for POWs agents and crashed airmen

Constructing Modernity Martin Hammer,Professor Christina Lodder,Naum Gabo,Christina Lodder,2000-01-01 Naum Gabo 1890 1977 whose eventful life took him from his native Russia to Berlin Paris London and finally the United States achieved renown as one of the most inventive and controversial figures in twentieth century sculpture This book is the first comprehensive account of Gabo s life career and artistic theory and practice Martin Hammer and Christina Lodder explore in detail the evolution of the artist s work and his aesthetic concerns creative processes assimilation of such new materials as plastic and approach to public sculpture The authors also examine his response to the scientific and political revolutions of his age and trace the origins and development of Gabo s utopian conviction that Constructivist art was profoundly in tune with modernity social progress and advances in science and technology Drawing on Gabo s extensive and largely unpublished archives of letters diaries notebooks models and sketchbooks Hammer and Lodder discuss the sculptor s work in the context of his relations with other avant garde artists architects and critics including his brother Antoine Pevsner They also situate his aesthetic theory and practice within the Constructi **World War II: The Resistance** C. David North,2015-04-29

France fell to Hitler's forces in less than two months. It was not until 1942 that widely dispersed underground organizations would band together to form a united opposition to the occupying Germans. It was not until then that resistance would become the Resistance, a disciplined multi-national movement that would play a significant part in the outcome of World War II. In each occupied nation resistance groups would grow, gathering and sending information to London, planning increasingly complex sabotage operations and assisting thousands of people, particularly Jews, in fleeing Nazi-occupied territories. Their actions would eventually become a focused counteroffensive against the German army in 1944 when Allied troops gathered in Great Britain to prepare for the invasion of France. As their widespread activity weakened German outposts in France and other occupied countries, the Allies would gain the foothold they needed to win the war. This is their story.
