## Alto And Tenor Sax Duets:

**Alto and Tenor Sax Duets** Harry R. Gee, 1985-03-16 intermediate duets in progressive difficulty for alto and tenor saxophones    Intermediate Classic Duets for Alto and Tenor Saxophones Amanda Oosthuizen, Jemima Oosthuizen, 2016-03-21 22 classical and traditional pieces arranged for equal alto and tenor saxophone players of intermediate standard. There are a few easier pieces but most explore the range of notes and techniques expected of players that are Grades 4-6 and some are quite tricky. The pieces are arranged for players of equal standard so each player gets to play the tune. The note range is from low B to high E but the extremes only happen once or twice. Most are in easy keys. There are 22 pieces in the book some are longer but most are short, one page, several are two or three pages. I've tried to be as varied as possible and have included both classical and traditional tunes, slow and fast pieces, easy and difficult ones to play straight away and others to work on but I hope you find them all enjoyable and fun. Arrangements include extracts from Beethoven's F major 'Elise', Prokofiev's 'The Duck' from 'Peter and the Wolf', Dvorák's 'Humoresque', Holst's 'Jupiter' from 'The Planets', 'Loch Lomond', Grieg's 'Morning' from 'Peer Gynt', Elgar's 'March from Pomp and Circumstance', Chopin's 'Prelude Op 28', Boccherini's 'Minuet', Bizet's 'Air de Tor', 'Ador' from 'Carmen', Beethoven's 'Minuet in G', Glinka's 'Intermezzo', Tchaikovsky's 'Andante Cantabile' from 'Symphony No 5', Brahms' 'Waltz Op 39' and more, some of which I expect you're unlikely to know because I wanted to include an element of musical exploration and adventure. Have fun! Look out for music arranged for mixed instruments: Flute, Clarinet, Bassoon, Oboe, Saxophone, Recorder, Trumpet, Trombone, Tuba, Violin, Cello and Double Bass. We have a spectacular variety of duet books, a gargantuan selection of festive books including Halloween and even downloadable playalong and backing tracks and sheet music on our website. **11 Duets for Saxophone** Matthias Petzold,2007-04

This book offers eleven duets for second and third year alto and tenor saxophone students with some experience in sight reading in the common keys The pieces were composed in extremely varied styles from jazz to Calypso and from blues to French waltz musette Apart from learning different styles of music the pieces have one common goal to convey the joy of making music in a small ensemble The duets can be played with either two alto or two tenor saxes or with an alto playing the upper voice and a tenor for the lower voice The transposed parts for the tenor sax 2 are printed in a pull out segment along with the keyboard guitar chord progressions in two keys appropriate for the E flat alto and B flat tenor parts This format provides both notation and the chord accompaniment for almost any combination of the two saxes the exception being tenor sax 1 with alto sax 2 The companion CD offers play along tracks for both types of saxes As the two saxophones are recorded in split track format one channel can be muted using the balance knob of your stereo enabling you to play along with either voice on the recording Due to their melodic and diversified character these duets are well suited for recitals and often become student favorites In recital the duets can be performed with a live pianist or guitarist using the chord progressions provided or with the piano accompaniment on the CD for E flat alto lead only The duets can also be performed effectively by two unaccompanied saxophones
