Way back in 2005 I received an email from Amazon.com announcing a new program called Prime It was a simple proposition If I paid 79 a year for the annual membership I d get free two day shipping on most of my orders Plus I could upgrade to overnight shipping at a huge discount just a few dollars per order I m plenty thrifty but Amazon didn t need to twist my arm before I coughed up my 79 fee for a Prime membership It was a no brainer I order something from Amazon at least once or twice a week books groceries electronic gadgets the list has grown every year So I didn t need to scribble the numbers on the back of an envelope to see that my annual Prime membership would pay for itself within a few months Easily In the decade since then Amazon has increased the Prime membership fee just 20 Meanwhile the company has stacked up more and more benefits to Prime much beyond the special shipping deals that attracted me at the start Free on demand streaming of movies and TV shows The service called Amazon Instant Video is similar to Netflix s online video service And while Amazon s video store doesn t yet match Netflix s selection Amazon is gaining rapidly Free monthly rentals of popular Kindle ebooks thanks to the Kindle Owners Lending Library Anyone with a Kindle device and a Prime membership qualifies for the freebies up to one book per month with no due date Free streaming music a service like the popular Pandora or Spotify Internet music services Whether you re like me someone for whom Amazon Prime is a must have or a more infrequent Amazon customer this book will explain how to get the most bang out of your Prime bucks **How to Register a TV to my Amazon Prime Account**
