students simply didn't have the knowledge of the specific language needed to succeed. Through experimentation and research, he discovered that for any subject, there was a list of essential words that, when mastered, unlocked a student's ability to progress in the subject. Lewis called this set of vocabulary the Insider's Words. When he applied these Insider's Words, the results were incredible. His students began to learn with ease. He was on his way to developing the landmark series of workbooks and applications to teach this Insider's Language to students around the world. *Holt McDougal Earth Science: Interactive Reader and Study Guide Answer Key*, 2010 **Earth Science**, 2005
