DiMatteo, Marta Infantino, Nathalie M-P Potin, 2020-10-29 A unique collaboration between academic scholars legal practitioners and arbitrators this handbook focuses on the intersection of arbitration as an alternative to litigation and the court systems to which arbitration is ultimately beholden. The first three parts analyze issues relating to the interpretation of the scope of arbitration agreements arbitrator bias and conflicts of interest arbitrator misconduct during the proceedings enforceability of arbitral awards and the grounds for vacating awards. The next section features fifteen country specific reviews which demonstrate that despite the commonality of principles at the international level there is a significant amount of differences in the application of those principles at the national level. This work should be read by anyone interested in the general rules and principles of the enforceability of foreign arbitral awards and the grounds for courts to vacate or annul such awards American Motorcyclist, 1982-11 American Motorcyclist magazine the official journal of the American Motorcyclist Association tells the stories of the people who make motorcycling the sport that it is. It also discusses other Environmental Social and Governance ESG sustainability related legislation and stock exchange rules in the EU the United States and China. Using case studies involving multinationals such as BYD Shell RWE Borealis BMW VW and L'Oral the book demonstrates the increasing negative impact of ESG related issues on a company's reputation and finances. Showing that international commercial arbitration is the ideal means for the resolution of ESG climate CSDDD related disputes between multiple parties the book compares the arbitration rules of 11 leading arbitration institutions in terms of consolidations and joinders. It proposes an incentive mechanism for the contractual cascading of climate related targets and ESG related arbitration rules. It also features more than 20 contractual template clauses aimed at i) implementing the CSDDD throughout international supply chains ii) reducing product service related GHG emissions including Scope 3 emissions year on year to achieve net zero across entire value chains and iii) facilitating consolidations and joinders in ESG related multi party arbitrations.
