La Charrette:

La Charrette Lowell M. Schake, 2006-01-11 *La Charrette* provides a first ever historical look at America's westernmost frontier settlement which over a mere thirty year existence managed to leave behind a rich vibrant legacy that is firmly rooted in local state and national history. Located sixty miles beyond St Louis on the banks of the Missouri River *La Charrette* Village began as an eighteenth century French fur trading outpost. The citizens of *La Charrette* one of America's earliest melting pot communities of Native Americans, African descendants and French, Spanish and German immigrants played a vital role in shaping the American West. Its people were the first to be granted Indian trade rights and to map the Santa Fe Trail and *La Charrette* was the last outpost of civilization along the monumental trek toward westward expansion. A virtual Who's Who of the American frontier *La Charrette* documents the life and times of the families who lived in this influential riverbank village. It also chronicles many legendary heroes who passed through including Lewis and Clark, Daniel Boone, Captain Pike, Indian Phillips, John Colter, Flanders, Callaway, Syndic, Chartran and others who helped to shape history and forever change the face of our nation. Schake's book documents the intimate life and history of a village that helped serve as a launching point into the territory and its role in American frontier life. *Brad Urban*, *St Louis Post Dispatch*, *Suburban Journals*

The Complete Romances of Chrétien de Troyes David Staines, 1991-01-22 Eminently readable a translator who understands the spirit as well as the letter of the original and renders it with style. *Speculum* This new translation brings to life for a new generation of readers the stories of King Arthur, Lancelot, Guinevere, Gawain, Perceval, Yvain and the other knights and ladies of Chrétien de Troyes famous chivalric romances. A pleasure to read. *Library Journal* These are above all stories of courtly love and of knights tested in their devotion to chivalric ideals but they are also thrilling wonder stories of giants, wild men, tame lions, razor sharp bridges and visits to the Other World. *Washington Post Book World* This tastefully produced book will be the standard general translation for many years to come. *Choice* Chrétien is where the literary tradition of the Arthurian romance can be seen to begin. His poems are the earliest we have that portray knights errant questing through dangerous forests to challenge unknown opponents and to learn the meaning of love. *Times Literary Supplement*

Les Manuscrits de Chrétien de Troyes Keith Busby, 1993 [North American Encounters](#) Dieter Meindl, 2002 These essays in English except for four items in German and French provide an intercultural perspective. They deal with such diverse aspects of North American including Quebecois literature. The continental context also pervades treatments of novels featuring Indian wars, sentimentalism, the West and modern p. caros story cycles e.g. Atwood's and the long poem Kroetsch. [Gender and Voice in Medieval French Literature and Song](#) Rachel May Golden, Katherine Kong, 2021-10-12 This volume brings together literary and musical compositions of medieval France identifying the use of voice in these works as a way of articulating gendered identities. [Expériences sur le tirage des voitures et sur les effets destructeurs qu'elles exercent sur les routes exécutées en 1837 et 1838 ... et en 1839 et 1841, etc](#) Arthur Jules MORIN, 1842

Francophone Post-colonial Cultures Kamal Salhi,2003-01-01 A collection of discussions of literary texts from areas as diverse as Europe and North Africa the Caribbean and South Asia regions of the world that seem to have only their language in common But despite enormous differences among all the countries where French is spoken Francophone literatures tend to deal with a similar spread of issues This volume positions the study of the Francophone world and its cultures as a comparative project in which post colonial Francophone cultures and the specific alterity of these cultures emerge as inextricable from and essential to an understanding of modern France The volume is organized by region with an international roster of contributions and includes summaries of selected creative and critical works and a guide to selected terms and figures Signs of Humanity / L'homme et ses signes Gérard Deledalle,Michel Balat,Janice Deledalle-Rhodes,2019-05-20 No detailed description available for Signs of Humanity L homme et ses signes
