Globalizing Intercultural Communication Kathryn Sorrells, Sachi Sekimoto, 2015-01-02
Translating Theory into Practice: Globalizing Intercultural Communication. A Reader introduces students to intercultural communication within the global context and equips them with the knowledge and understanding to grapple with the dynamic, interconnected, and complex nature of intercultural relations in the world today. This reader is organized around foundational and contemporary themes of intercultural communication. Each of the 14 chapters pairs an original research article explicating key topics, theories, or concepts with a first person narrative that brings the chapter content alive and invites students to develop and apply their knowledge of intercultural communication. Each chapter's pair of readings is framed by an introduction highlighting important issues presented in the readings that are relevant to the study and practice of intercultural communication and end of chapter pedagogical features including key terms and discussion questions. In addition to illuminating concepts, theories, and issues, authors and editors Kathryn Sorrells and Sachi Sekimoto focus particular attention on grounding theory in everyday experience and translating theory into practice and actions that can be taken to promote social responsibility and social justice.

Cultural Communication and Intercultural Contact Donal Carbaugh, 1990
How is cultural identity accomplished interactively? What happens when different cultural identities contact one another? This book presents a series of papers from classic essays to original expositions which respond to these questions. The view of communication offered here, rather than ignoring culture or making it a variable in an equation, is based on cultural patterns and situated communication practices, unveiling the multiplicity of factors involved in particular times and places. The contributors to this unusual volume represent a wide range of fields. Their equally diverse offerings will serve to clarify cultural distinctiveness in some communication phenomena and lay groundwork for the
