Consumer Behavior Morris B. Holbrook, 2024-12-02 Consumer Behavior presents an autobiographical view of Morris B. Holbrook's contributions to the study of consumer behavior describing his life and work over the past 60 years via a collection of subjective personal introspective essays. This new collection extends, enlarges, and elaborates on the insights garnered over Holbrook's career to provide a lively and thought-provoking exploration of the evolution of consumer research. Using Subjective Personal Introspection (SPI), Holbrook shares aspects of his own journey in developing insights into such topics as the consumption experience, consumer value, the jazz metaphor, marketing education, and various controversies that have interested the scholarly community. Early chapters portray Holbrook's evolution in college, graduate school, and faculty membership, while later chapters trace his approaches to understanding the role of consumption as the essence of the human condition. Throughout, SPI is used to illuminate the ways in which academic struggles have led toward deeper understandings of consumers. Readers with an interest in the autobiographical details of how ideas develop and emerge in an area such as consumer research, including doctoral students or faculty members in the field of marketing, will find enlightenment and inspiration in contemplating the misadventures of a fellow traveler. *Fodor's American Spirits* Fodor's Travel Guides, 2024-11-19 Whether you want to taste the wines of Napa Valley, learn about craft beer brewing in Michigan, or explore the Kentucky Bourbon Trail, the local Fodor's travel experts across the United States are here to help. *Fodor's American Spirits: Exploring the Best Wineries, Breweries, and Distilleries in the USA* guidebook is packed with maps, carefully curated recommendations, and everything else you need to simplify your trip planning process and make the most of your time.
