With Wings of Silver and Gold Linda H. Hieger, Robert K. Kopitzke, 2008-01-01      **To Dye For** Alden Wicker, 2023-06-27

A Silent Spring for your wardrobe To Dye For is a jolting expos that reveals the true cost of the toxic largely unregulated chemicals found on most clothing today Many of us are aware of the ethical minefield that is fast fashion the dodgy labor practices the lax environmental standards and the mountains of waste piling up on the shores of developing countries But have you stopped to consider the dangerous effects your clothes are having on your own health Award winning journalist Alden Wicker breaks open a story hiding in plain sight the unregulated toxic chemicals that are likely in your wardrobe right now how they re harming you and what you can do about it In To Dye For Wicker reveals how clothing manufacturers have successfully swept consumers concerns under the rug for more than 150 years and why synthetic fashion and dyes made from fossil fuels are so deeply intertwined with the rise of autoimmune disease infertility asthma eczema and more In fact there s little to no regulation of the clothes and textiles we wear each day from uniforms to fast fashion outdoor gear and even the face masks that have become ubiquitous in recent years Wicker explains how we got here what the stakes are and what all of us can do in the fight for a safe and healthy wardrobe for all      **Airline Stewards and Stewardesses Association, Local 550 V. **U.S. Air Services, Devoted to the Development of Aeronautics** ,1943      **America's Defense Line** Grant F. Smith, 2008 An unforeseen effect of the Iraq war is that it has allowed more Americans to speak freely about the role of the Israel lobby When and how was it born While it is generally understood that American interest groups played a crucial role in creating the state of Israel in 1948 and supporting politicians who would stand up for Israel other facts have remained elusive Grant F Smith reveals that many of the functions the Israel lobby smoothly and quietly executes in political life today were formed in the late 1950s and early 1960s the crucial political contributions and unrelenting campaign to convince

Americans that Israel and the United States share common interests and enemies whether the old Communist bloc or Islamic radicals in the 21st century Smith documents the lobby's awesome resistance to public accountability for its actions before Congress and the Justice Department That fascinating history is the terrain of this book Referencing over 1 000 previously classified documents released under a Freedom of Information Act filing Smith follows Isaiah L Kenen's path from registered foreign agent for the Israeli government to founder of the American Israel Public Affairs Committee or AIPAC Smith unearths a formerly secret non prosecution agreement the subvention caveat reached between the Israel lobby and the US Department of Justice The agreement reveals a great deal about the latitude of the lobby's operations and the US government's institutional aversion to challenging it America's Defense Line may forever change the debate about US Middle East policy formulation
