Radical Friend Nancy A. Hewitt,2018-03-19 A pillar of radical activism in nineteenth century America Amy Kirby Post 1802 89 participated in a wide range of movements and labored tirelessly to orchestrate ties between issues causes and activists A conductor on the Underground Railroad co organizer of the 1848 Rochester Woman s Rights Convention and a key figure in progressive Quaker antislavery feminist and spiritualist communities Post sustained movements locally regionally and nationally over many decades But more than simply telling the story of her role as a local leader or a bridge between local and national

arenas of activism Nancy A Hewitt argues that Post's radical vision offers a critical perspective on current conceptualizations of social activism in the nineteenth century. While some individual radicals in this period have received contemporary attention, most notably William Lloyd Garrison, Frederick Douglass, and Lucretia Mott, all of whom were friends of Post, the existence of an extensive network of radical activists bound together across eight decades by ties of family, friendship, and faith has been largely ignored. In this in-depth biography of Post, Hewitt demonstrates a vibrant radical tradition of social justice that sought to transform the nation.
