**The Routledge Companion to Air Transport Management** Nigel Halpern, Anne Graham, 2018-01-31 The Routledge Companion to Air Transport Management provides a comprehensive up to date review of air transport management research and literature This exciting new handbook provides a unique repository of current knowledge and critical debate with an international focus considering both developed and emerging markets and covering key sectors of the air transport industry The companion consists of 25 chapters that are written by 39 leading researchers scholars and industry experts based at universities research institutes and air transport companies and organisations in 12 different countries in Africa Asia Pacific Europe and North America to provide a definitive trustworthy resource The international team of contributors have proven experience of research and publication in their specialist areas and contribute to this companion by drawing upon research published mainly in academic industry and government sources This seminal companion is a vital resource for researchers scholars and students of air transport management It is organised into three parts current state of the air transport sectors Part I application of management disciplines to airlines and airports Part II and key selected themes Part III *Making Failure Feasible* Thomas H. Jackson, Kenneth E. Scott, John B. Taylor, 2015-10-01 In 2012 building off work first published in 2010 the Resolution Project proposed that a new Chapter 14 be added to the Bankruptcy Code exclusively designed to deal with the reorganization or liquidation of the nation's large financial institutions In *Making Failure Feasible* the contributors expand on their proposal to improve the prospect that our largest financial institutions particularly with prebankruptcy planning could be successfully reorganized or liquidated pursuant to the rule of law and in doing so both make resolution planning pursuant to Title I of Dodd Frank more fruitful and make reliance on administrative proceedings pursuant to Title II of Dodd Frank largely unnecessary This book highlights the problems of dealing with large financial institutions in distress and Chapter 14's responses to those twin issues The contributors first outline the basic features of Chapter 14 and point to their continuation as well as additional features to ensure the quick resolution of large financial institutions that would not depend on government discretion and would mesh with emerging ideas about cross border resolution The remaining chapters provide the context for reform and show how Chapter 14 as envisioned in this book would be a substantial advance on administrative focused resolution procedures *Information Technology Law* Andrew Murray, 2016 Information Technology Law is the ideal companion for a course of study on IT law and the ways in which it is evolving in response to rapid technological and social change The third edition of this ground breaking textbook develops its unique examination of the legal processes and their relationship to the modern information society Charting the development of the rapid digitization of society and its impact on established legal principles Murray examines the challenges faced with enthusiasm and clarity Following a clearly defined part structure the text begins by defining the information society and discussing how it may be regulated before moving on to explore issues of internet governance privacy and surveillance intellectual property

and rights and commerce within the digital sphere Comprehensive and engaging Information Technology Law takes an original and thought provoking approach to examining this fast moving area of law in context Online Resource Centre The third edition is supported by a range of online resources including An additional chapter on Virtual Environments Audio podcasts suitable for revision Updates to the law post publication A flashcard glossary of key terms and concepts Outline answers to end of chapter questions A link to the author s blog The IT Lawyer Web links **Standard & Poor's Creditweek**,1984 **Airline Operations and Management** Gerald N.
