TSA Baggage Scott Becker, 2017-10-31 Scott Becker spent over 12 years working for the TSA at Chicago's O'Hare airport and served it in numerous capacities from baggage screener to manager. He brings to *TSA Baggage* a wealth of experience and stories that have something for everyone. Candid Cameos: Several stories in *TSA Baggage* feature appearances from celebrities including Madeleine Albright, Patch Adams, and the Kardashians. Behind the Scenes: Look for anyone who's ever wondered what happens in the parts of airports hidden from a view or during a shift at a security check. This book provides first-hand accounts of the inner workings of airports and the people who keep them humming. Laugh Track: Airports seem to attract the misguided, confused, and weird, and this provides for plenty of laughs whether it's passengers attempting to bring grenades in their luggage or trying to skip through security in a drunken tizzy. Travel Warning: This book can also be a great guide to do's and don'ts for all future travelers with tips from someone who's seen everything that can go right and wrong at an airport. Travel brings out the good, bad, and ugly in everyone, and *TSA Baggage* captures all of it for readers from a first-hand witness to the whole circus. Strap in and get ready for a great read.
